#### **Preparation of this Report**

The Developer prepared this report to disclose relevant information, including "material facts", that are reasonably known to the Developer about the condominium project covered by this report. This report has been prepared pursuant to the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes ("HRS"), as amended from time to time. The law defines "material facts" as "any fact, defect, or condition, past or present that to a reasonable person, would be expected to measurably affect the value of the project, unit, or property being offered or proposed to be offered for sale."

This report has <u>not</u> been prepared or issued by the Real Estate Commission ("Commission") or any other governmental agency. The issuance by the Commission of an effective date for this Developer's Public Report (1) does not mean that the Commission approves or disapproves of the project, (2) does not mean that the Commission thinks that either all material facts or all pertinent changes, or both, about the project have been fully or adequately disclosed, and (3) is not the Commission's judgment of the value or merits of the project.

This report may be used by the Developer for promotional purposes only if it is used in its entirety. No person shall advertise or represent that the Commission has approved or recommended the project, this report, or any of the documents submitted with Developer's application for registration of this project.

This report will be amended if, after the effective date of this report, any changes, either material or pertinent, or both, occur regarding the information contained in or omitted from this report. In that case, the Developer is required to immediately submit to the Commission an amendment to this report or an amended Developer's Public Report clearly reflecting the changes, including any omitted material facts, together with such supporting information as may be required by the Commission. In addition, the Developer may choose at any time to change or update the information in this report. Annually, at least thirty days prior to the anniversary date of the effective date of this report, the Developer shall file an annual report to update the material contained in this report. If there are no changes, the Developer is required to state that there are no changes. The Developer's obligation to amend this report or to file annual reports ends when the initial sales of all units in the project have been completed.

Purchasers are encouraged to read this report carefully and to seek professional advice before signing a sales contract for the purchase of a unit in the project.

Signing a sales contract may legally bind a purchaser to purchase a unit in the project; however, a purchaser may have rights to cancel or rescind a sales contract under specific circumstances.

For all sales information, please contact the Developer and real estate broker on page 9.

Individuals with special needs may request this material by calling the State of Hawaii Real Estate Commission at 586-2644.

RECO-30B Revised 01/1/2019

## **Special Attention - - Significant Matters**

The Developer's inclusion of a disclosure or an explanation of any or all of the following applicable significant matters in this part of the Developer's Public Report shall not be construed to constitute the Commission's:

- Approval or disapproval of the project;
- Representation that the Developer has fully or adequately disclosed either all material facts or all
  pertinent changes, or both, concerning the project;
- Representation that the Developer's disclosures of other material facts elsewhere in this report are less important; or
- Judgment of the value or merits of the project.

The Commission reserves the right to request that the Developer include these special and significant matters elsewhere in the Developer's Public Report.

- 1. Project Information. The Project is located in Kaka'ako in the City and County of Honolulu ("County"), State of Hawaii. The Project is currently expected to consist of seven hundred fifty-one (751) Residential Units and one (1) Commercial Unit, for a total of seven hundred fifty-two (752) units located in a single forty-two (42) story building (Levels 1 through 42) as set forth in the Declaration and shown on the Condominium Map. One hundred fifty (150) Residential Units will be sold as Reserved Housing Units to qualified purchasers who meet certain eligibility requirements, as more particularly described in Paragraph 12 below. The remaining six hundred and one (601) Residential Units will be offered and sold as market-priced units and will not be subject to the use, sales, and transfer restrictions described in Paragraph 12 below.
- 2. Ward Village; Master Planned Community. The Project is one of multiple high-rise condominium projects anticipated to be developed as part of a master planned community called "Ward Village" by Victoria Ward, Limited, the "Master Declarant" or its affiliates. The Project will be part of this urban, mixed-use master development located in central Kaka'ako, City and County of Honolulu, Hawaii. There is no guaranty that all of the planned towers, parks, and amenities will be constructed, and the Master Declarant has the reserved right to make changes to Ward Village as described in Exhibit "N" attached hereto. If this right is exercised, it could result in the area being developed in ways significantly different from current plans.

Being a part of "Ward Village," the Project is subject to the Community Covenants for Ward Village ("Master Declaration") and By-Laws of Ward Village Owners Association ("Master By-Laws"), and the Ward Village Rules ("Master Rules"), as the same may be amended and/or supplemented from time to time, and all rules and regulations promulgated thereunder, including, without limitation, any assessments, voting rights, design restrictions, and the design review process set forth therein, if applicable. By acquiring an interest in the Project, each owner agrees to carefully review, observe, and comply with all covenants, conditions, restrictions, and other requirements to which the Project is subject under the Master Declaration and Master By-Laws, including membership in the Ward Village Owners Association ("Master Association") and the payment of such sums as may be assessed pursuant to such Master Declaration or Master By-Laws ("Master Assessments") for the Project's share of common expenses for Ward Village. Failure to pay Master Assessments may result in a lien on the owner's unit. Further, Developer shall have the reserved right, without the consent of any owners or such owners' mortgagees, to amend the Declaration for the Project and to enter into any agreements and to grant easements and to do all things necessary and convenient to effect and implement the purposes of the Master Declaration, Master By-Laws, and Master Rules and to execute, file, and deliver any and all documents necessary to effect the same, including, but not limited to, any amendments to the Declaration and to the Condominium Map for the Project. This summary is not exhaustive, and the Master Declarant has other reserved rights and easements pursuant to the Master Declaration and

Master By-Laws. Exhibit "N" contains a summary of the rights of the Master Declarant pursuant to the Master Declaration, Master By-Laws, and Master Rules.

- 3. Hawaii Community Development Authority (HCDA); Kaka'ako Community Development District Mauka Area Plan Rules; Planned Development Permits and Agreements. The Project and Ward Village are located within the Kaka'ako Community Development District and the Project is subject to the jurisdiction of the Hawaii Community Development Authority ("HCDA") and the District Mauka Area Plan Rules. The Project will be developed subject to and in compliance with the terms of various permits and agreements by and/or between the Master Declarant, Developer, or Developer's predecessors in interest, and HCDA (collectively, "HCDA Agreements"). Some of these HCDA Agreements impose certain responsibilities and limitations on owners within Ward Village pertaining to design, alteration, and use of the master development areas. Exhibit "M" of this Developer's Public Report contains a summary of the more salient permits and/or agreements. Purchasers, however, should review all agreements and permits noted on Exhibit "M" for a comprehensive understanding of such responsibilities and limitations. Note that HCDA may impose district-wide improvement assessments in the future. Developer is not currently aware of any proposed assessments that have not been disclosed to prospective purchasers.
- 4. <u>Dispute Resolution Procedures</u>. The Declaration and specimen Purchase Agreement & Deposit Receipt ("Purchase Agreement") for the Project provide for "Disputes" (as defined in said documents) to be resolved pursuant to certain dispute resolution procedures, as set forth in said Declaration and specimen Purchase Agreement. Such procedures require purchasers to waive certain rights, including, without limitation, the right to a jury trial with respect to any "Dispute" and any and all rights to recover certain punitive, consequential or exemplary damages, or treble or other multiple damages provided for by any statute or rule. Purchasers should carefully review Articles XXXIX, XLII and XLVI of the Declaration for more information. A summary of the dispute resolution procedures contained in the specimen Purchase Agreement is set forth in Exhibit "!" of this Developer's Public Report.
- 5. Honolulu Rail Transit Project and HART Condemnation. The Honolulu Rail Transit Project ("Rail Project") is a proposed 20-mile elevated rail line with twenty-one (21) stations that is not yet complete. The County, acting by and through the Honolulu Authority for Rapid Transportation ("HART"), filed an Amended Notice of Pendency of Action regarding the condemnation of easements for the Honolulu Rail Transit project. See Exhibit "F", items 10 and 16. The action was filed against various entities to acquire properties, including an easement on the land on the mauka (mountain) side of the Project for HART's rail development.

Being in such close proximity to the tower, the Rail Project is likely to cause noise, dust, vibrations, traffic congestion, view impairment, and/or other inconveniences or nuisances associated with its development, construction, and operation ("Rail Effects"). By signing and accepting the Unit Deed, Purchaser accepts the Rail Effects and waives any claims or rights of action or suits against Seller or Seller's successors and assigns arising from any impairment of Purchaser's use and enjoyment of the Unit or the Project, or from any inconvenience, property damage or personal injury arising directly or indirectly from the Rail Effects.

6. Reserved Rights of Developer. Exhibit "G" to this Public Report sets forth a summary of certain reserved rights of Developer. These rights will continue even after completion of the Project and closings of the sales of units. Prospective purchasers should make careful review of Exhibit "G" attached hereto and the Declaration to fully understand the potential impacts of the Developer's reserved rights. Generally, changes, if made, to the Project as a result of the Developer's exercise of its reserved rights are not "material changes" that will permit a purchaser to rescind a Purchase Agreement. By signing a Limited Warranty Unit Deed, Encumbrances and Reservations of Rights with Power of Attorney, a purchaser consents to the exercise by Developer of any of Developer's reserved rights and the appointment of Developer as the purchaser's attorney-in-fact. See Section D of Exhibit "L" for more information.

- 7. Warranties. Developer is developing the Project, but it is not the general contractor or an affiliate of the general contractor building the Project. Developer makes no warranties, express or implied, about the Units or the Project, or about consumer products or anything else installed or contained in the Units or the Project. This includes, but is not limited to, warranties of merchantability, habitability, workmanlike construction, fitness for a particular purpose, or sufficiency of design. Upon closing, Developer shall assign to a purchaser any and all warranties given to Developer by the general contractor for the Project ("Contractor") and by any subcontractor or materialmen, including the Contractor's guarantee of materials and workmanship against faulty or deficient materials installed for a period of one (1) year after "Substantial Completion" of the Unit, as defined in the construction contract for the Project. See Section 5.4 on pages 13 and 13a of this Public Report for more information.
- 8. Commercial Director Consent Rights. The Commercial Director (who is the Director elected to the Board by the Commercial Unit Class) has certain consent rights as to certain aspects of the Project. For instance, the consent of the Commercial Director is required where capital upgrades are contemplated for the Project.
- 9. <u>Limitation of Purchaser's Recovery in the Event of a Default</u>. If Developer defaults under the Purchase Agreement, the purchaser must provide notice of such default to Developer. If Developer fails to cure the default within thirty (30) calendar days after it receives notice of the default, and if the purchaser is not then in material default under the Purchase Agreement, then the purchaser may terminate the Purchase Agreement and receive a refund of payments made under the Purchase Agreement together with any interest earned thereon.
- 10. <u>Views</u>. Each owner acknowledges that there are no protected views in the Project, and the units are not assured the existence or unobstructed continuation of any particular view. Any view from a unit is not intended as part of the value of the unit, and is not guaranteed, and Developer makes no representation or warranty regarding whether a unit will continue to have the same view or any view; and Developer makes no representation whatsoever as to the effect of the view or lack thereof on the value of a unit. The views from a unit or the Project will likely change, be affected by, or obstructed by: (a) construction or installation of buildings, improvements, structures, walls, and/or landscaping by Developer or owners of property outside the Project; and/or (b) the growth of trees, landscaping, and/or vegetation within or outside the Project; and/or (c) the planned elevated rail transit project, which may be located in the vicinity of the Project.
- 11. Queen Street; Ownership Dispute. The ownership of certain portions of Queen Street is currently under dispute. Depending on the result of said disputes, it is possible, though unlikely, that access to and from the Project from Queen Street may not be available. In such event, Owners will have access to and from the Project via Auahi Street (via Private Driveway 1) and via Kamake'e Street (via Private Driveway 2). Developer strongly disputes the allegations being made by others regarding their alleged ownership of said roadway areas and intends to continue to monitor the actions until they are resolved.
- 12. Reserved Housing Units. Pursuant to that certain Planned Development Permit No. KAK 16-075 issued by HCDA on January 4, 2017, during the required offering period, Developer designated one hundred fifty (150) Residential Units in the Project to be initially sold as reserved housing units ("Reserved Housing Units") for purchase by persons who meet certain eligibility requirements under Title 15, Subtitle 4, Chapter 22 of the Hawaii Administrative Rules (the "Mauka Area Rules"), as determined by HCDA. The sale of the Reserved Housing Units is subject to the jurisdiction of HCDA and the terms and restrictions of the Mauka Area Rules, which include, without limitation, residency requirements, income and asset limits, occupancy requirements, HCDA buy-back rights, and shared equity requirements. PURCHASERS WHO WISH TO PURCHASE A RESERVED HOUSING UNIT SHOULD CONSULT WITH DEVELOPER TO DETERMINE IF RESERVED HOUSING UNITS HAVE BEEN DESIGNATED BY DEVELOPER AND ARE CURRENTLY BEING OFFERED FOR SALE, AND TO FURTHER DETERMINE APPLICABLE ELIGIBILITY REQUIREMENTS AND OWNERSHIP

RESTRICTIONS TO QUALIFY FOR THE PURCHASE OF A RESERVED HOUSING UNIT PRIOR TO SIGNING A PURCHASE AGREEMENT FOR A RESERVED HOUSING UNIT.

- 13. Smoking; Limitations. To promote the quality of air and the health and safety of residents, the Project is designated as a smoke-free area. As such, smoking is not permitted anywhere on the premises, including, without limitation, the Units and Limited Common Elements appurtenant thereto, and the common areas of the Project, which include, without limitation, any lobbies, hallways, elevators, corridors, stairwells and waiting areas, the Recreational Amenities and Amenity Deck, and the Parking Structure. For purposes of this section, "smoke" or "smoking" means inhaling, exhaling, burning, or carrying any lighted or heated cigarette, cigar, or pipe, or any other lighted or heated tobacco or plant product intended for inhalation. "Smoking" also includes the use of an electronic smoking device, which means any device that can be used to deliver aerosolized or vaporized nicotine to the person inhaling the device, including, but not limited to, a-cigarettes, a-cigars, e-pipe, vape pen or ehookah. Developer currently intends to identify a designated smoking area within the Project at a later date. In such event, any and all smoking activities shall be contained within such designated smoking area. There is no guarantee, however, that a designated smoking area will be identified within the Project. Owners shall inform their tenants, guests, invitees and licensees of this smoke-free policy. See the First Amendment to Declaration of Condominium Property Regime of Aalii dated October 24, 2017, recorded in the Bureau of Conveyances of the State of Hawaii ("Bureau") as Document No. A-65070806, which adds Section F.10.d to Article XXXVIII of the Declaration.
- 14. <u>Trash Chutes</u>. There are two (2) trash chutes in the Project, as depicted on the Condominium Map. One trash chute is located on the southwest (Ewa/Makai) end of the podium and services those Units located on Levels 2 through 7 of the Project. The second trash chute is located on the northeast (Diamond Head/Mauka) end of the Tower and services those Units and Recreational Amenities located on Levels 2 through 42 of the Project.
- 15. Affiliated Broker and Deed Preparation Disclosure. The Howard Hughes Corporation is the parent company of both the Project Broker and the Developer. Also, Seller, or an affiliated entity, will prepare the Unit Deeds for conveyance of the Unit from Seller to Purchaser inhouse and will charge a fee for such service. The estimated deed fee for preparation shall be \$500.00, plus tax, and will be disclosed on Purchaser's closing statement. Purchaser should carefully review the Unit Deed with Purchaser's legal counsel prior to executing the same.
- 16. Public Facilities Dedication for Public Purpose. Victoria Ward, Limited, a Delaware corporation ("Declarant"), as the previous fee owner of the Project land, dedicated use of portions of the Project land ("Public Area") as described in Exhibit A and shown on Exhibit B to the Declaration of Restrictive Covenants (Public Facilities Dedication), dated October 25, 2018, recorded at the Bureau as Document No. A-68720609 ("Declaration of Restrictive Covenants"), for public purposes. The Public Area, however, may be relocated to a different portion of the Project land with the consent of HCDA. The Public Area shall be improved, maintained and used for public purposes commencing on the date that a certificate of occupancy is issued for the Project and shall continue in perpetuity unless the Declaration of Restrictive Covenants is repealed with the consent of HCDA or automatically terminates as to such portions of the Public Area that are conveyed by perpetual easement or in fee to the City and County of Honolulu or the State of Hawaii. The obligations, rights, reservations and easements of Declarant under the Declaration of Restrictive Covenants, including the obligations to provide capital improvements, day to day maintenance and security in the Public Area, may be transferred to Developer or the Association with the consent of HCDA.
- 17. Important Notice Regarding Your Deposits: Deposits that you make under your sales contract for the purchase of the unit may be disbursed before closing of your purchase to pay for project costs, construction costs, project architectural, engineering, finance, and legal fees, and other incidental expenses of the project. While the developer has submitted satisfactory evidence that the project should be completed, it is possible that the project may not be completed. If your deposits are disbursed to pay project costs and the project is not

completed, there is a risk that your deposits will not be refunded to you. You should carefully consider this risk in deciding whether to proceed with your purchase.

SEE BOX A ON PAGE 16 AND SECTION 6 ON PAGES 19 THROUGH 19e IN THIS REPORT FOR OTHER SIGNIFICANT MATTERS AND IMPORTANT DISCLOSURES THAT SHOULD BE CAREFULLY REVIEWED BY PURCHASER.

#### **General Information On Condominiums**

A condominium is a special form of ownership of real property. To create a condominium in Hawaii after July 1, 2006, the Condominium Property Act, Chapter 514B, HRS, must be followed. In addition, certain requirements and approvals of the county in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land and/or the building(s) and other improvements are leased to the purchaser. The lease for the land usually requires that at the end of the lease term, the lessees (unit owners) deliver their interest in the land to the lessor (fee property owner).

If you are a typical condominium unit owner, you will have two kinds of ownership: (1) ownership in your individual unit; and (2) a percentage interest in the common elements.

You will be entitled to exclusive ownership and possession of your unit. Subject to the documents governing them, condominium units may be individually bought, sold, rented, mortgaged, or encumbered, and may be disposed of by will, gift, or operation of law.

Your unit will, however, be part of the group of units that comprise the condominium project. Study the project's Declaration of Condominium Property Regime, Bylaws of the Association of Unit Owners, Condominium Map, and House Rules, if any, which are being concurrently delivered to you with this report. These documents contain important information on the use and occupancy of the units and the common elements of the project, as well as the rules and regulations of conduct for unit owners, tenants, and guests.

For more general information on condominiums, please go to http://www.hawaii.gov/hirec. Contact the Hawaii Real Estate Commission's Condominium hot line at (808) 586-2644 from 9:00 AM to 3:00 PM, Monday through Friday. Contact the Developer and real estate broker on page 9 for any sales information.

#### **Operation of the Condominium Project**

The Association of Unit Owners is the entity through which unit owners may take action with regard to the administration, management, and operation of the condominium project. Each unit owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as a unit owner. The Board and officers can take certain actions without the vote of the unit owners. For example, the Board may: hire and fire employees; increase or decrease maintenance fees; adopt budgets for revenues, expenses, and reserves; and regulate the use, maintenance, repair, and replacement of common elements. Some of these actions may significantly impact the unit owners.

Until there is a sufficient number of purchasers of units to elect a majority of the Board, it is likely that at first the Developer will effectively control the affairs of the Association. It is frequently necessary for the Developer to do so during the early stages of development, and the Developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective purchasers should understand that it is important to all unit owners that the transition of control from the Developer to the unit owners be accomplished in an orderly manner and in a spirit of cooperation.

conforming or illegal use, structure or lot.

Conforming/Non-Conforming Uses, Structures, and Lots
In general, a non-conforming use, structure, or lot is a use, structure, or lot that was lawful at one time but that does not now conform to present zoning requirements. Under present zoning requirements, limitations may apply to extending, enlarging or continuing the non-conformity and to altering and repairing non-conforming structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.
If a variance has been granted or if uses, structures, or lots are either non-conforming or illegal, the purchaser should consult with county zoning authorities as to possible limitations that may apply in situations such as those described above.

#### 3. CREATION OF THE CONDOMINIUM AND CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances (Regular System) or filing in the Office of the Assistant Registrar of the Land Court, or both, a Declaration of Condominium Property Regime, a Condominium Map, and the Bylaws of the Association of Unit Owners. The Condominium Property Act (Chapter 514B, HRS), Declaration, Bylaws, and House Rules control the rights and obligations of the unit owners with respect to the project and the common elements, to each other, and to their respective units.

### 3.1 Declaration of Condominium Property Regime

The Declaration of Condominium Property Regime contains a description of the land, buildings, units, common interests, common elements, limited common elements, and other information relating to the condominium project.

#### 3.2 Bylaws of the Association of Unit Owners

The Bylaws of the Association of Unit Owners govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Unit Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed, and other matters that affect how the condominium project will be governed.

#### 3.4 House Rules

The Board of Directors may adopt rules and regulations (commonly called "House Rules") to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais, and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually		
adopted by the Developer. Changes to House Rule	s ao not neea to de recorae:	a to be effective.

## 3.5 Changes to the Condominium Documents

Changes to Condominium Documents: Changes to the Declaration, Bylaws, and Condominium Map are effective only if they are duly adopted and recorded. Where permitted, the minimum percentages of the common interest that must vote for or give written consent to changes to the Declaration, Bylaws, and Condominium Map are set forth below. The percentages for any individual condominium project may be more than the minimum set by law if the Declaration or Bylaws for the project so provide.

# 4.1 Management of the Common Elements

#### 4.2 Estimate of the Initial Maintenance Fees

Estimate of the Initial Maintenance Fees: The Association will make assessments against your unit to
provide funds for the operation and maintenance of the condominium project. If you are delinquent in
paying the assessments, a lien may be placed on your unit and the unit may be sold through a
foreclosure proceeding. Initial maintenance fees are difficult to estimate and tend to increase as the
condominium ages. Maintenance fees may vary depending on the services provided.

Exhibit <u>"H"</u> contains a breakdown of the estimated annual maintenance fees and the monthly estimated maintenance fee for each unit, certified to have been based on generally accepted accounting principles, with the Developer's statement as to when a unit owner shall become obligated to start paying the unit owner's share of the common expenses.

# 5.5 Status of Construction, Date of Completion, or Estimated Date of Completion

Status of Construction: Construction is ongoing and is estimated to be completed in Fall 2021.		
Completion Deadline: If a sales contract for a unit is signed before the construction of the unit has been completed, or, in the case of a conversion, completion of any repairs, does not occur by the completion deadline set forth below, one of the remedies available to a purchaser is a cancellation of the purchaser's sales contract. The sales contract may include a right of the Developer to extend the completion deadline for force majeure as defined in the sales contract. 	Should the Developer be using purchasers' deposits to pay for any project construction costs or to complete the project including lease payments, real property taxes, architectural, engineering, legal fees, or financing costs, or costs to cure violations of county zoning and building ordinances and codes or other incidental project expenses, the Developer has to meet certain requirements, described below in 5.6.1 or 5.6.2.	
agreemen Developer	eloper is required to deposit all moneys paid by purchasers in trust under a written escrow at with a Hawaii licensed escrow depository. Escrow shall not disburse purchaser deposits to the r or on behalf of the Developer prior to closing, except if a sales contract is canceled or if the r has met certain requirements, which are described below.	
5.6.1 P	urchaser Deposits Will Not Be Disbursed Before Closing or Conveyance	
	The Developer hereby declares by checking the box to the left that it shall use its own funds to complete the construction of the condominium project by the date indicated in Section 5.5 of this report, and the Developer, pursuant to its own analysis and calculations, certifies that it has sufficient funds to complete the construction of the condominium project.	
	If this box is checked, Section 5.6.2, which follows below, will not be applicable to the project.	

# 5.6.2 Purchaser Deposits Will Be Disbursed Before Closing

Hawaii law provides that, if certain statutory requirements are met, purchaser deposits in escrow under a binding sales contract may be used before closing to pay for certain project costs. For this project, the Developer indicates that purchaser deposits may be used for the following purposes (check applicable box):	
	For new construction: to pay for project construction costs described in the Developer's budget and approved by the Developer's lender or an otherwise qualified, financially disinterested person; or
	For conversions: to pay for repairs necessary to cure violations of county zoning and building ordinances and codes, for architectural, engineering, finance and legal fees, and for other incidental expenses.

In connection with the use of purchaser deposits (check Box A or Box B):

in conne	ction with the use of purchaser deposits (check Box A or Box B):
Box A	The Developer has submitted all information and documents required by law and the Commission prior to the disbursement of purchaser deposits before closing. This means that the Developer may use such deposits before closing. If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.
	If Box A is checked, you should read and carefully consider the following notice, which is required by law:
	Important Notice Regarding Your Deposits: Deposits that you make under your sales contract for the purchase of the unit may be disbursed before closing of your purchase to pay for project costs, construction costs, project architectural, engineering, finance, and legal fees, and other incidental expenses of the project. While the developer has submitted satisfactory evidence that the project should be completed, it is possible that the project may not be completed. If your deposits are disbursed to pay project costs and the project is not completed, there is a risk that your deposits will not be refunded to you. You should carefully consider this risk in deciding whether to proceed with your purchase.
Box B	The Developer has <u>not</u> submitted all information and documents required by law and the Commission, and, until all such information and documents are submitted, the Developer cannot use purchaser deposits.
	If the Developer later submits all information and documents required by law and the Commission for the use of purchaser deposits, then the Developer must provide an amendment to this report or an amended developer's public report to each purchaser who has signed a sales contract. At such time, the Important Notice Regarding Your Deposits set forth immediately above will apply to all purchasers and will be restated in the amendment to this report or an amended developer's public report. When an effective date for such an amendment or an amended developer's public report is issued, you will not have the right to rescind or cancel the sales contract by reason of such submission and amendment. (This, however, does not affect your right to rescind for material changes or any other right you may have to rescind or cancel the sales contract, as described in Section 5.8 below.) If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.
	You should understand that, although the <b>Important Notice Regarding Your Deposits</b> set forth above does not currently apply to you, it might apply to you in the future, and, therefore, you should read and carefully consider it now to ensure that you understand the risk involved in deciding whether to proceed with your purchase.

Material House Bond. If the Developer has submitted to the Commission a completion or performance bond issued by a material house instead of a surety as part of the information provided prior to the use purchaser deposits prior to closing or conveyance of a unit, the Developer shall disclose the same below and disclose the impact of any restrictions on the Developer's use of purchaser deposits.	of

#### 5.7 Rights Under the Sales Contract

Before signing the sales contract, prospective purchasers should carefully review all documents relating to the project. These include but are not limited to the documents listed below. Items 2, 3, and 4 are made a part of this public report, as well as Item 5, if any, and are being delivered to you with this report.

Developer's Public Report Declaration of Condominium Property Regime (and any amendments) Bylaws of the Association of Unit Owners (and any amendments) 3. Condominium Map (and any amendments) 4. #### 5.8 Purchaser's Right to Cancel or Rescind a Sales Contract

A purchaser's right to cancel a sales contract or to rescind a sales contract may arise under varying circumstances. In the sections below, some circumstances that will give rise to a purchaser's right to cancel or rescind are described, together with what a purchaser must do if the purchaser wishes to exercise any of the rights.

# 5.8.1 When a Sales Contract becomes Binding and Purchaser's 30-Day Right to Cancel a Sales Contract

A sales contract signed by a purchaser and the Developer will not become binding on a purchaser or the Developer until the following events have taken place:

- (1) The purchaser has signed the sales contract.
- (2) The Developer has delivered to the purchaser a true copy of the Developer's public report with an effective date issued by the Commission, together with all amendments to the report as of the date of delivery, and the project's recorded Declaration, Bylaws, House Rules (if any), the Condominium Map, and any amendments to them to date (all of which are a part of the developer's public report). If it is impracticable to include a letter-sized Condominium Map, the Developer must provide written notice of an opportunity to examine the Condominium Map.
- (3) The Developer has delivered to the purchaser a notice of the purchaser's 30-day cancellation right on a form prescribed by the Commission.
  - (4) The purchaser does at least one of the following:
    - (a) Waives the purchaser's right to cancel the sales contract within 30 days from receipt of the notice of the purchaser's 30-day cancellation right; or
    - (b) Allows the 30-day cancellation period to expire without exercising the right to cancel; or
    - (c) Closes the purchase of the unit before the 30-day cancellation period expires.

The purchaser or the Developer may cancel the sales contract at any time during the 30-day cancellation period, and the sales contract will be canceled and the purchaser's deposits returned to the purchaser, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.

#### 5.8.2 Right to Cancel a Sales Contract if Completion Deadline is Missed

In addition to the purchaser's 30-day cancellation right described in Section 5.8.1 above, when a sales contract is signed before completion of construction of a project, the purchaser will have the right to cancel if the unit is not completed by certain deadlines. In conversion projects, there must be a deadline for completion of any required repairs. Every sales contract shall contain an agreement of the Developer that the completion of construction shall occur on or before the completion deadline, and that completion deadline is set forth in this report in Section 5.5. The sales contract shall provide that the purchaser may cancel the sales contract at any time after the specified completion deadline, if completion of construction does not occur on or before the completion deadline, as the same may have been extended. Upon a cancellation, the purchaser's deposits shall be refunded, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.00.

## 5.8.3 Purchaser's Right to Rescind a Binding Sales Contract After a Material Change

If a "material change" in a project occurs after a purchaser has signed a sales contract that has become binding, the purchaser will have a 30-day right to rescind after notification and description of the material change. A material change is defined in the Condominium Property Act to be any change that "directly, substantially and adversely affects the use or value of (1) a purchaser's unit or appurtenant limited common elements; or (2) those amenities of the project available for the purchaser's use."

The purchaser will be informed of the material change by the Developer on a form prescribed by the Commission containing a description of the material change.

After notice of the material change, the purchaser may waive the right to rescind by:

- (1) Checking the waiver box on the rescission form; or
- (2) Letting the 30-day rescission period expire, without taking any action to rescind; or
- (3) Closing the purchase of the unit before the 30-day rescission period expires.

The rescission form must be signed by all purchasers of the affected unit and delivered to the Developer no later than midnight of the 30th calendar day after the purchasers received the rescission form from the Developer. Purchasers who validly exercise the right of rescission shall be entitled to a prompt and full refund of any moneys paid.

A rescission right shall not apply in the event of any additions, deletions, modifications, and reservations including, without limitation, the merger or addition or phasing of a project made pursuant to the terms of the project's Declaration.

These provisions shall not preclude a purchaser from exercising any rescission rights pursuant to a contract for the sale of a unit or any applicable common law remedies.

#### 6. MISCELLANEOUS INFORMATION NOT COVERED ELSEWHERE IN THIS REPORT

- 1. Commencement of Maintenance Fees; Common Expenses. DEVELOPER INTENDS TO COMMENCE THE PAYMENT OF MAINTENANCE FEES UPON UNIT CLOSING. The Developer may, however, decide to initially assume the actual Common Expenses of the Project, pursuant to Section 514B-41(b) of the Hawaii Revised Statutes ("HRS"). If Developer initially assumes all of the actual Common Expenses, the Developer shall give notice that Owners shall not be obligated for the payment of their share of the Common Expenses until such time as Developer sends to the Owners a written notice that, after a specified date, the Owners shall be obligated to pay for the portion of the Common Expenses that are allocated to their respective Units, including the Master Assessments dues.
- Real Property Tax Assessment. Developer shall be responsible for any real property taxes
  attributable to the Residential Units prior to closing. Any real property taxes paid in advance by
  Developer shall be prorated as a closing cost payable by purchaser.
- 3. The Commercial Unit; Operations of Commercial Unit. The Commercial Unit is located on Level 1 of the Project. Developer intends to own the Commercial Unit and lease it to a third party for commercial and retail activities that may be open to and accessible by the public. It is not guaranteed that the Commercial Unit will continue to be used as retail space and/or be open for access by the public and/or other Unit Owners. The Commercial Unit Owner may subdivide the Commercial Unit into multiple Units pursuant to its right to do so in the Declaration. The Commercial Unit Owner may change the use of the Commercial Unit at its discretion, subject to any limitations set forth in the Declaration.
- 4. Commercial Limited Common Elements and Residential Limited Common Elements. The Commercial Unit, its undivided interest in the Common Elements, the Commercial Limited Common Elements, and the Commercial Unit Limited Common Elements, as set forth in Exhibit "E" attached hereto, shall comprise the "commercial portion" of the Project. The Residential Units, their undivided interest in the Common Elements, the Residential Limited Common Elements and the Residential Unit Limited Common Elements, as set forth in Exhibit "E" attached hereto, shall comprise the "residential portion" of the Project. The Residential Unit Owners shall generally maintain the residential portion and have the use of the areas that are Residential Limited Common Elements described in Exhibit "E" and designated on the Condominium Map, and the Commercial Unit Owner shall generally maintain the commercial portion and have the use of the Commercial Limited Common Elements described in Exhibit "E" and designated on the Condominium Map, unless otherwise specified in the Declaration.

The Residential Unit Class, comprised of all the Residential Unit Owners, is responsible for sharing in the cost and in making decisions for the Residential Limited Common Elements based on their Residential Unit Class Common Interest set forth in Exhibit "A". The Commercial Unit Class, comprised of all the Commercial Unit Owners, is responsible for sharing in the cost and in making decisions for the Commercial Limited Common Elements based on their Commercial Class Common Interest set forth in Exhibit "A". The Class Common Interest is not an ownership interest, but rather an interest used to calculate each Owner's share of costs attributable to each class and allocation of voting interest on matters affecting the class. Further, there are certain approval and allocation of voting interest on matters affecting the class. In addition, there are certain approval and consent rights held by the Commercial Director for certain improvements and alterations within the Residential Limited Common Elements and to the Residential Units in order to ensure that the Project continues to meet the Project Quality Standard. Purchaser should make careful review of the Declaration and Bylaws to understand such consent and approval rights of the Commercial Director.

5. Special Cost and Alternative Allocation for Common Expenses; Other Costs. According to HRS § 514B-41, as amended, in a mixed-use project, common expenses may be allocated

among the commercial units and residential units in a fair and equitable manner. The Declaration creates the concept of "Alternative Allocations" by which certain "Special Costs" are shared between the Residential Unit Class and the Commercial Unit Class, then shared among the individual Owners through their Residential Class Common Interest and Commercial Class Common Interest, set forth in Exhibit "A". The Class Common Interest is not an ownership interest, but rather an interest used to calculate each Owner's share of the Residential Unit Class Expense and Commercial Unit Class Expense (in addition to voting interests for Class issues). For instance, the Commercial Unit may be responsible for the landscaping surrounding the Project, which may be within the Commercial Limited Common Elements; however, since the residential lobby and access points of the Tower and the entire development benefit from the ground floor landscaping, the cost of maintenance of the landscaping and the water features may be an Alternative Allocation.

The Declaration and Exhibit "C" thereof set forth the Special Costs and Alternative Allocations shared between the Residential Unit Class and the Commercial Unit Class. The Alternative Allocation may not be amended without the consent of Developer until the end of the Development Period, as defined in the Declaration. After the Development Period ends, the consent of the Association and the Commercial Unit Class are required.

In addition, there may be other costs that are allocated based on efficiency and equity, rather than by a strict common interest or other allocation. For instance, there may be certain Unit Limited Common Elements that may be maintained by the Association for which the cost of maintenance may be covered as a Common Expense or passed back to the Owner of the Unit to which such Unit Limited Common Element is appurtenant. Purchasers should carefully review the Declaration and the estimated Budget and Initial Maintenance Fees set forth in Exhibit "H" herein to understand the allocation of such equitable fees and costs.

- 6. Security Disclaimer. The Association and/or the Resident or Site Manager, if any, may, but shall not be obligated to, maintain or support certain activities within the Project designed to make the Project safer than it might otherwise be. Neither the Association, the Resident or Site Manager nor Developer shall in any way be considered insurers or guarantors of security within the Project, and neither the Association, the Resident or Site Manager, Developer, nor any successor Developer shall be held liable for any loss or damage by reason of failure to provide security or the ineffectiveness of security measures undertaken. The Association, the Board, the Resident or Site Manager, Developer and/or any successor Developer do not represent or warrant that any fire protection system or other security system designed or installed according to the guidelines established by Developer or the Association may not be compromised or circumvented, that any fire protection or burglar alarm systems or other security systems will prevent loss by fire, smoke, burglary, theft, hold-up, terrorism or otherwise, nor that fire protection or burglar alarm systems or other security systems will in all cases provide the detection or protection for which the system was designed or intended. The Resident or Site Manager, the Association, its Board and committees, Developer, or any successor Developer have made no representations or warranties nor has any Owner, his or her family, agents, quests, or other occupants of a Unit relied upon any representation or warranty, expressed or implied, including any warranty of merchantability as to the fitness of any alarm systems or other security systems recommended or installed, or any security measure undertaken within the Project.
- 7. <u>Nonliability for Net Living Area Calculation</u>. There are various methods for calculating the net living area of a Unit. The quoted net living area of a Unit is approximate and, depending on the method of calculation, may vary by more than a nominal amount. Additionally, as a result of field construction, other permitted changes to the Unit, and settling and shifting of improvements, the actual net living area of the Unit may also be affected. By accepting title to the Unit, owners shall be deemed to have conclusively agreed to accept the size and dimensions of the Unit, regardless of any reasonable variances in the net living area from that

which may have been disclosed at any time prior to closing, whether included as part of Developer's promotional materials or otherwise. Developer does not make any representation or warranty as to the actual size, configuration, dimensions (including ceiling heights), or net living area of any Unit.

- 8. Nonliability for Mold Development. Mold and mold spores are present throughout the environment, and residential condominium construction cannot practicably be designed to exclude the introduction of mold spores. All molds are not necessarily harmful, but certain strains of mold have been found to have adverse health effects on susceptible persons. Moisture is the primary mold growth factor that must be addressed. Developer cannot ensure that mold and mold spores will not be present in the Project. The failure of an owner or the Association to take steps to minimize mold growth may increase the risk of mold growth and mold spores being present in the Project. Developer shall not be liable for any actual, special, incidental, or consequential damages based on any legal theory whatsoever, including, but not limited to, strict liability, breach of express or implied warranty, negligence, or any other legal theory, with respect to the presence and/or existence of molds, mildew, and/or microscopic spores at the Project, unless caused by the sole gross negligence or willful misconduct of Developer.
- 9. Condominium Living. Living in a multi story, mixed-use, high-rise condominium building entails living in very close proximity to other persons, businesses, restaurants, shopping areas, and other Units, with attendant limitations on solitude and privacy. Walls, floors and ceilings have been designed to meet applicable building codes; however, Owners will hear noise from adjacent Units within the Project, including, but not limited to, noise from showers, bathtubs, sinks, toilets or other sources of running water and/or plumbing fixtures. Also, Owners may hear noise from such items as the pools, vacuum cleaners, stereos or televisions, or from people running, walking, exercising, socializing, or enjoying the Recreational Amenities on the Amenity Deck and on Level 42 of the Project. Finally, Owners can expect to hear substantial levels of sound, music, noise, odors, vibrations and other nuisances from retail and commercial establishments in the Project, the master planned community and/or in close vicinity of the Project, including, without limitation, the Ward Village Entertainment Center and other surrounding retail establishments. Owners may also experience light entering the Units from commercial lighting in the vicinity and from street lights located in close proximity to the window and doors for the Units. Owners on lower floors within the Project located directly above such commercial establishments (i.e., levels which are directly above the Commercial Unit) and close to the street will likely experience the most sound, music, noise, odor and vibrations from such commercial activity.
- 10. Noise; Traffic; Construction. Being located in a central shopping, entertainment and commuter district, noise, dust, vibration, and/or pedestrian and vehicular traffic are higher than average in the vicinity of the Project. Each Owner and every other person who has any interest in the Project or who has the right to use the Project or any portion thereof waives, releases and discharges any rights, claims or actions that such person may have, now or in the future, against Developer, and Developer's representatives, licensees, successors and assigns, and arising directly or indirectly out of or from such noise, dust, vibrations, and/or additional traffic, including, without limitation, construction and operation of the proposed Rail Project, if constructed, which could be constructed adjacent to or in close proximity to the Project, Traffic. noises and uses which are typically encountered in a high-rise condominium commercialresidential mixed-use setting, include, but are not limited to, (1) transient noise and guest or pedestrian traffic from the street or the Commercial Unit Limited Common Elements or neighboring properties; (2) opening and closing of doors; (3) loud music from restaurants or other outlets, concert events, or performances; (4) vehicular traffic from the street; (5) voices of people talking outside retail and/or food and beverage establishments; and (6) noises from

special events taking place near the Property. Such noise shall not be deemed a "nuisance," as such noises and/or uses are deemed to be common and accepted occurrences in a centrally located high-rise condominium mixed-use setting. Furthermore, normal construction activities shall not be considered a "nuisance."

- 11. <u>Continuing Activities</u>. Each owner understands and agrees that Developer is engaged in a sales and development program and that certain elements of the Project may not be completed and completion of the improvement of such items may be deferred by Developer at its sole and absolute option; provided normal access and parking facilities are provided for the Units conveyed to third parties. As an integrated structure consisting of a variety of uses that may be changed from time to time, alterations, construction, remodeling, repair and changes of uses within portions of the Property may occur from time to time.
- 12. <u>Uses Changes</u>. Except as expressly set forth in the Condominium Documents, Developer makes no representations or warranties with respect to the (a) nature of any improvements to be initially or subsequently contained in the Project, (b) the initial or subsequent uses of any portion of the Project or (c) the services and amenities (and the costs of such services or amenities) which may be provided to Owners.
- Marketing Materials. Any marketing materials used by Developer in the promotion and sales of the Units and of the Project shall not be a representation or warranty by Developer of the Unit layout, decor, coloring, furnishings or fixtures provided with the Unit or the types of amenities provided in the Project. The marketing materials are intended to give a purchaser a general idea of the standard and quality of the Project, and are not intended to represent the precise decor, coloring, furnishing, fixtures or amenities that will be included in the Project.
- 14. <u>Condominium Map</u>. Nothing in the Condominium Map is intended to be or is a representation or warranty by Developer. Typical type floor plans may have slight deviations as to the location of columns in the Unit, doors and fixtures. The layout and areas of the Units with typical depictions are intended to be consistent.
- 15. Condominium Managing Agent; Commercial Managing Agent. Developer, acting as the Association, has retained Associa Hawaii to handle fiscal and administrative management of the Project and physical management of the Residential Units and the Residential Unit Limited Common Elements. The agreement provides that the Developer may terminate the agreement upon notice to the Managing Agent. In the event the Managing Agent changes, the maintenance fees and services may change. The replacement of the Managing Agent by the Developer shall not be considered a material change to the Project; provided any replacement managing agent provides substantially similar (or better) services than the initial Managing Agent, which shall be determined in the sole discretion of the Developer during the Developer Control Period. The Commercial Director may retain a manager to perform physical management of the Commercial Unit and the Commercial Limited Common Elements, or the Commercial Unit owner may self-manage the Commercial Unit and the Commercial Limited Common Elements.
- 16. Easements Pursuant to the Master Declaration. During the Development Period, to the extent set forth in the Master Declaration, Developer shall have the right to grant easements through the Common Elements, including the Residential Limited Common Elements and the Commercial Limited Common Elements, located on the ground floor of the Project, for purposes set forth in the Master Declaration, including, without limitation, easements to access certain areas of the Project and easements for use of certain areas of the Project by the Master Association, for recreational use, use for park space, or pedestrian and/or bicycle access or other purposes. Such areas or portions thereof may also be dedicated to the public or dedicated for use by the public pursuant to

the Master Declaration; provided that the Master Association shall maintain the easement and use areas and shall be responsible for any costs associated with the use, maintenance and upkeep of such areas pursuant to the Master Declaration. Developer may without being required to obtain the consent or joinder of any Owner, lienholder, or other persons, execute, deliver, and record any deed and/or amendments to this Declaration and any and all other instruments necessary or appropriate for the purpose of carrying out the provisions or exercising the foregoing rights, powers, or privileges.

- 17. Parking Agreement. There are parking agreements recorded against the Project Land. Although Developer currently intends to remove such agreements from title to the Project Land, Developer makes no guarantee that such encumbrances will in fact be removed from title prior to the conveyance of the Unit to purchaser or at all.
- 18. <u>Use of Developer-Owned Units</u>. Units owned by Developer are exempt from the use of restrictions set forth in the Declaration and, accordingly, may be used for any lawful purpose. This may impact other Units in the Project to the extent that such use is found objectionable.
- 19. Presale Contingency. Developer has no obligation to proceed with development or building of the Project, and may cancel a Purchaser's Purchase Agreement if Developer has not obtained binding Purchase Agreements to sell at least seventy percent (70%) of the Residential Units in the Project on or before one hundred eighty (180) calendar days after the date of the first executed Purchase Agreement for the sale of a Unit in the Project. If Developer elects to cancel Purchase Agreements, purchasers will be entitled to a full refund of all monies paid to Developer, less escrow cancellation fees, plus any interest earned thereon, unless said monies have been approved for use by Developer to pay for construction costs in accordance with Section 5.6.2 of this Developer's Public Report. Note that this presale contingency is for the benefit of Developer only, is not for the purchaser's benefit, and may be waived in Developer's sole and absolute discretion.
- 20. Location of Several Units Above and/or Below the Amenity Deck and Level 42. Certain Residential Units located on Level 7, Level 8 and Level 9 of the Tower are located on, above or below the Amenity Deck and Recreational Amenities located on Level 8 of the Tower. In addition, certain Residential Units are located below the Recreational Amenities on Level 42 of the Tower and, as a result, may be exposed to greater noise and other nuisances than Residential Units located on other floors in the Project.
- 21. House Rules; Limited Applicability to Commercial Unit. The House Rules generally apply only to the Owners of Residential Units, the Residential Units and the Unit Limited Common Elements appurtenant thereto, and the Residential Limited Common Elements. The House Rules do not apply to the Commercial Unit or the Owner thereof. As such, the House Rules do not apply to customers and/or guests of the tenant of the Commercial Unit. Pursuant to Section V.E of the Declaration, the Commercial Unit shall have an appurtenant easement for use by its vendors, employees, customers, and guests for purposes of the business conducted in the Commercial Unit, or its appurtenant Unit Limited Common Elements or the Commercial Limited Common Elements, for the purposes set forth therein. The Commercial Limited Common Elements areas are intended for general use by Commercial Unit vendors, licensees and invitees, and by the general public accessing and patronizing the Commercial Unit.
- 22. Resident Manager Unit. The Developer is the Owner of Unit No. 915, which is initially intended to be used as the Resident Manager Unit. The Developer may sell, pledge, lease, assign, convey, mortgage and/or transfer Unit No. 915 to a third party or to the Association, in its sole discretion. This means that the Association may not have first preference to purchase the Resident Manager's Unit and the Developer may relocate the Resident Manager to another

Unit in the Project. The Developer does not guaranty, warrant or represent that Unit No. 915 will continue to be used as a Resident Manager Unit or be utilized to serve the Project or its Owners.

23. <u>Encroachment</u>. There is an encroachment on the Project land. See Exhibit "F." This encroachment does not impact the current design of the Project. Although Developer intends to enter into an encroachment agreement covering the encroachment prior to the conveyance of any units to purchasers, Developer makes no guarantee that such encumbrances will in fact be removed from title prior to the conveyance of the Unit to purchaser.

The Developer declares subject to the penalties set forth in Section 514B-69, HRS, that this project conforms to the existing underlying county zoning for the project, zoning and building ordinances and codes and all applicable permitting requirements adopted by the county in which the project is located, all in accordance with Sections 514B-5 and 32(a)(13), HRS.

For any conversion, if any variances have been granted, they are specified in Section 1.14 of this report, and, if purchaser deposits are to be used by the Developer to cure any violations of zoning, permitting requirements or rules of the county in which the project is located, the violation is specified in Section 1.15 of this report, along with the requirements to cure any violation, and Section 5.5 specifies the date by which the cure will be completed.

The Developer hereby certifies that all the information contained in this report and the exhibits attached to this report and all documents to be furnished by the Developer to purchasers concerning the project have been reviewed by the Developer and are, to the best of the Developer's knowledge, information and belief, true, correct and complete. The Developer hereby agrees promptly to amend this report to report and include either or all material facts, material or pertinent changes to any information contained in or omitted from this report and to file annually a report to update the material contained in this report at least 30 days prior to the anniversary date of the effective date of this report.

- A. LAYOUT AND FLOOR PLANS OF UNITS. Each Unit has the number of bedrooms ("Bed") and bathrooms ("Bath") noted above. The layouts and floor plans of each Unit are depicted in the Condominium Map. None of the Units contain a basement.
- B. APPROXIMATE NET LIVING AREAS. The approximate net living areas of the Commercial Unit and the Residential Units were determined by measuring the area between the interior finished surfaces of all perimeter and party walls at the floor for each Unit and includes the area occupied by load bearing and nonloadbearing interior walls, columns, ducts, vents, shafts, stairways and the like located within the Unit's perimeter walls. All areas are not exact and are approximates based on the floor plans of each type of Unit.
- C. COMMON INTEREST. The Common Interest for each of the seven hundred fifty-two (752) Units (the Commercial Unit and the 751 Residential Units) in the Project is calculated based on dividing the approximate net living or commercial area of the Unit, as applicable, by the total net area of all the Units in the Project. In order to permit the Common Interest for all Units in the Project to equal exactly one hundred percent (100%), the Common Interest attributable to Residential Unit No. 4115 was increased by 0.00001%.
- D. COMMERCIAL UNIT CLASS COMMON INTEREST AND RESIDENTIAL UNIT CLASS COMMON INTEREST. The Commercial Unit Class Common Interest is calculated for the Commercial Unit in a fair and equitable manner. Since currently there is only one (1) Commercial Unit, one hundred percent (100%) of the Class Common Interest is held by Unit No. C-100. The Residential Unit Class Common Interest is calculated based on dividing the approximate net living area of the Residential Unit by the total net living area of all Residential Units in the Project. In order to permit the Residential Unit Class Common Interest to equal one hundred percent (100%), the Residential Class Common Interest to Residential Unit No. 4115 was decreased by 0.000006%.
- PARKING STALLS AND STORAGE LOCKERS. The Condominium Map depicts the location, type E. and number of parking stalls, parking storage, tower storage and storage rooms in the Project. All parking stalls (including guest parking stalls), parking storage, tower storage and storage rooms not otherwise identified above as a Unit Limited Common Element to a specific Unit, shall be a Unit Limited Common Element appurtenant to the Resident Manager Unit, Unit No. 915. Parking storage, identified as "PS" on the Condominium Map, shall become a Unit Limited Common Element, together with the designated parking stalls, to the specific Unit set forth in this Exhibit. A Resident Unit Limited Common Element parking stall must be reassigned and exchanged together with its adjoining parking storage and similarly, any overhead parking storage must be reassigned and exchanged together with its adjoining Residential Unit Limited Common Element parking stall. All storage lockers identified on the Condominium Map with "S" (tower storage or storage room) or "PS" (parking storage) and a number are Unit Limited Common Elements appurtenant to the Resident Manager Unit, Unit No. 915, unless otherwise assigned and redesignated as a Unit Limited Common Element to another Unit. Developer has the reserved right to redesignate such parking stalls, parking storage, tower storage and storage rooms currently designated as Unit Limited Common Elements appurtenant to the Resident Manager Unit to other Residential Units or the Commercial Unit(s) in the Project as Unit Limited Common Elements appurtenant to such Residential Units or Commercial Unit(s), respectively.

#### **BOUNDARIES OF EACH UNIT**

Capitalized terms have the same meanings ascribed to such terms in the Declaration.

- A. The respective Units in the Project shall be deemed to include the following: (i) all interior walls, doors, windows, window frames and partitions that are not load-bearing and that are located within the space bounded by the Unit's perimeter walls but not the perimeter walls themselves, (ii) the interior decorated or finished surfaces of all doors, door frames, columns, and window frames of perimeter and party walls, (iii) the interior decorated or finished surfaces of all floors and ceilings, (iv) all lath, furring, wallboard, plasterboard, plaster, paneling, tile, wallpaper, paint, finished flooring, and any other materials constituting the finished interior decorated surfaces of such walls and columns, interior doors, interior door and window frames, and floors and ceilings, (v) the air space surrounded by such walls, doors, door and window frames, floors and ceilings, (vi) any stairs, escalators, and/or elevators within its perimeter walls to access another level of the same Unit or access to any Unit Limited Common Element lanai, if any, (vii) all fixtures (if any) originally installed in the Unit and (viii) any pipes, shafts, wires, conduits, ducts or other utility or service lines running through such Unit that are utilized for or service only that Unit.
- B. The respective Units in the Project shall <u>not</u> be deemed to include the following: (a) the undecorated and unfinished surfaces of perimeter and party walls and doors, sliding doors and frames, door frames, windows and window frames and any exterior surfaces thereof, (b) the interior load bearing walls and columns and their undecorated or unfinished surfaces, (c) any door or window frames located in the interior load bearing walls and their undecorated or unfinished surfaces, (d) any lanais or walls, floors, and/or ceilings partially surrounding any lanai and (e) any pipes, shafts, wires, conduits, ducts or other utility or service lines running through such Unit that are utilized for or service more than one Unit; and (f) any General Common Elements or Limited Common Elements as provided in the Declaration.

The Developer shall have the right to adjust the boundaries and/or square footages of the Units and the descriptions of the perimeter boundaries set forth on the Condominium Map as necessary to correct minor discrepancies and/or errors in the descriptions or areas; provided that Developer shall record an amendment to the Declaration to reflect such modification; and further provided that Developer need not recalculate and readjust Common Interests of the Units impacted for such minor corrections to the areas in accordance with Article III, Section B of the Declaration.

#### EXHIBIT "C"

#### PERMITTED ALTERATIONS TO RESIDENTIAL UNITS

Capitalized terms have the same meanings ascribed to such terms in the Declaration.

- IN GENERAL. The provisions in the Declaration regarding permitted alterations applies, except A. as otherwise provided by the federal Fair Housing Act (42 U.S.C. Sec. 3601 et seq.), as amended by the Fair Housing Amendments Act of 1988, and the rules and regulations adopted under it, as either of them may be amended from time to time ("FHA") and except as otherwise provided in the Declaration. The provisions in the Declaration, however, do not apply to changes made by Developer when exercising Developer's Reserved Rights. Neither the Association nor any Owner may make any structural changes or additions to the General Common Elements, Units, or the Limited Common Elements that are different in any material respect from the Condominium Map, except pursuant to any requisite vote by the Association and amendment of the Declaration, or as otherwise set forth in the Declaration or in the Bylaws. Any such restoration, replacement, construction, alteration or addition must be made in accordance with complete plans and specifications that are first approved by the Board in writing, and with the consent of the Commercial Director. Promptly after the work is completed, the Association, Developer or the Unit Owner must record the amendment along with any necessary changes to the Condominium Map. This paragraph A does not apply to "nonmaterial structural additions to the Common Elements" as that term is used in Section 514B-140 of the Act. Nothing in this paragraph A (1) authorizes any work or change that would jeopardize the soundness, safety or structural integrity of any part of the Project; (2) authorizes any work or change by a Residential Unit Owner that would materially change the uniform external appearance of the Project without the approval of the Board and the consent of the Commercial Director; (3) authorizes any work or change by the Board that would materially change the exterior of the Parking Structure or Tower without the consent of the Commercial Director; (4) prohibits the Board from making or requiring that an Owner make changes within any Unit or Unit Limited Common Element as needed to comply with the fire code and all other laws that apply to the Project; and (5) prohibits Developer from completing the initial Project construction and Improvements.
- B. BY RESIDENTIAL UNIT OWNERS. Owners of Residential Units shall not change or cause a change to the exterior of the Residential Units, or the Residential Limited Common Elements (including, without limitation, the installation of any type of signage), or Residential Unit Limited Common Elements without the prior written approval of the Board pursuant to Section XI.E of the Declaration and the prior written approval of the Developer, during the Development Period. Any change or modification that is made by the Developer, in its exercise of its Developer's Reserved Rights, shall not require the approval of the Board.

Each Residential Unit Owner has the right, subject to the terms and provisions in the Condominium Documents and the approvals required above, which approvals shall not be unreasonably withheld or delayed, to make any of the following changes, additions and improvements solely within the Owner's Residential Unit or within its Residential Unit Limited Common Elements that are appurtenant to such Residential Units, at such Owner's sole cost and expense. Each such Owner has the right:

- 1. To install, maintain, remove and rearrange non load-bearing partitions and walls from time to time within the perimeter walls of the Residential Unit; provided that the initial enclosed living area of any Residential Unit (as depicted on the Condominium Map) shall not be increased, including without limitation through the full or partial enclosure of any exterior lanai, if any;
  - 2. To finish, change or substitute any plumbing, electrical or other fixtures attached to the

ceilings, floors or walls, as appropriate, for the use of the Residential Unit or its Unit Limited Common Element;

- 3. To make such changes, additions and Improvements to the Residential Unit or appurtenant Unit Limited Common Element to facilitate handicapped accessibility within the Residential Unit or Unit Limited Common Element; and
- 4. To consolidate two (2) or more Residential Units owned by the same Owner, provided that any intervening walls removed are not load-bearing or structural walls and/or do not support any other Unit of the building, and to install doors and other Improvements in the intervening wall and/or make other reasonable additions. The Residential Unit Owner must ensure that the structural integrity of the Residential Unit, Limited Common Elements and the building will not be adversely affected; that any plumbing or other lines that may run behind any non-load bearing walls are not adversely affected; the finish of the remaining Common Element Improvements are restored to substantially the same condition as prior to removal; and all construction activity is completed within a reasonable time. The Common Interest and Residential Unit Class Common Interest appurtenant to the single consolidated Unit shall equal the total of the Common Interest for the original Units and shall not affect the Common Interest appurtenant to any other Unit.
- C. BY COMMERCIAL UNIT OWNER(S). Notwithstanding the foregoing, the Board shall have the authority, but not the obligation, to permit a home-based business to be maintained within a Residential Unit which does not meet one or more of the requirements set forth above, which permission may be withdrawn at any time in the sole discretion of the Board. Nothing contained in this shall be construed to prohibit the Developer from the use of any Residential Unit owned

properties by its members based on availability and reservation priorities, commonly known as destination clubs (equity or non-equity) or vacation clubs. The foregoing restrictions are collectively referred to as "Occupancy Restrictions." The Occupancy Restrictions may be enforced by Developer, the Association, the Resident or Site Manager (if any), the Master Association or the Managing Agent.

The restrictions set forth above shall be read broadly, and, among other things, shall encompass any type of plan, the nature of which causes Residential Units to be utilized by persons who have either joined a plan or program as a member or whose use is derivative of someone who has joined a plan or program as a member. Determination by the Association, the Resident or Site Manager (if any), or the Managing Agent that a violation of this provision exists shall be binding on the violating Owner, and the Board may promulgate and effectuate additional rules, regulations, procedures, and processes for enforcement of this provision, including but not limited to any surcharge or other charge or assessment that the Board shall solely determine. Developer shall have the option, at its sole discretion, to add to, reconfigure, resize, relocate, and/or remove any or all of the Recreational Amenities, which may in turn increase or decrease the Common Expenses and, consequently, affect maintenance fees. This Section shall not be considered a representation and/or warranty by Developer that any or all of the Recreational Amenities will be built, located on the Amenity Deck on Level 8 or on Level 42, and/or offered to Owners, or that any of the Recreational Amenities will be built at all.

## RESERVED RIGHTS OF DEVELOPER

Capitalized terms have the same meanings ascribed to such terms in the Declaration.

Among other rights, the Developer will have the following reserved rights with respect to the Project, which are more particularly set forth in the Declaration, Bylaws, House Rules and Purchase Agreement.

## **DECLARATION**

- RESERVED RIGHT TO GRANT AND RECEIVE EASEMENTS. Pursuant to Article XX of the Declaration, Developer shall have the reserved right, without joinder or consent of any Person, the Board, or any Owners or their mortgagees, during the Development Period, to delete, cancel, relocate, realign, reserve, designate, grant, and receive any and all easements and rights of way over, under, through, across, and upon the Project, or involving adjacent or neighboring parcels of land or adjacent or neighboring condominium projects, deemed necessary or desirable in Developer's sole discretion, or as may be required by a governmental entity or agency, including, but not limited to, easements and/or rights of way for utilities, public purpose (i.e., pedestrian walkways, bus stops, stairs, ramps, paths, trails, bikeways, or other passageways), any public-type facility (e.g. for mail delivery), fire lane access, sanitary and storm sewers, retention ponds, cable television, refuse disposal, driveways, and parking areas. Such right also includes easements for operation, upkeep, care and maintenance, or repair of any Unit or any Limited Common Element or to complete any Improvements and correct construction defects or other punchlist items in the Common Elements or Units, or to exercise any of the Developer's Reserved Rights, and other similar purposes; provided that such easements and/or rights of way shall materially and adversely impact any existing structure of the Project, and shall not be exercised so as to unreasonably disturb, impair, or interfere with the normal use and enjoyment of the Project by the Owners; and provided that Developer shall have the right to negotiate and agree to such terms with respect to such easements and rights of way as Developer deems appropriate in its sole discretion. Any easement granted and/or received by Developer pursuant to the exercise of this reserved right shall not be amended, modified, or terminated by the Association without the consent of Developer. Developer shall have the right to define any easement right received pursuant to this Section as a General Common Element, Residential Limited Common Element or Commercial Limited Common Element. In the event that Developer assigns to the Association any rights it acquires, whether the same constitute easement rights or otherwise, the Association shall assume such rights.
- B. RESERVED RIGHT TO ALTER, SUBDIVIDE AND CONSOLIDATE RESIDENTIAL UNITS AND/OR COMMERCIAL UNITS AND/OR CONSTRUCT IMPROVEMENTS WITHIN SAID UNITS AND/OR THEIR APPURTENANT LIMITED COMMON ELEMENTS. Pursuant to Article XXI of the Declaration, during the Development Period and without joinder or consent of any Person, the Board, or any Owners or their mortgagees:
- 1. Developer shall have the reserved right to: (1) alter the floor plan of any Unit which it owns at any time, and in any manner Developer deems appropriate, in its absolute discretion, provided that the Common Interest appurtenant to the Unit shall not change; (2) cause the subdivision of any Unit which it owns at any time to create two or more Units; (3) cause the consolidation of any Units which it owns at any time; (4) convert certain portions

EXHIBIT "G" Page 1 of 12 of any existing Unit which it owns to Limited Common Element status to facilitate any subdivision or consolidation; and (5) recalculate the Common Interest appurtenant to each resulting Unit upon such subdivision and/or consolidation; provided that the total Common Interest appurtenant to the resulting Unit(s) shall equal the Common Interest appurtenant to the original Unit(s). The subdivision or consolidation of Units by Developer or any other Owner shall not affect the number of Commercial and Residential Directors on the Board.

- 2. If Developer is the Owner of any two or more Units separated by a party wall, floor, or ceiling, Developer shall have the right to consolidate two or more Units that are so separated, to later subdivide such Units once consolidated, and to alter, remove or restore all or portions of the intervening wall, floor, or ceiling at Developer's expense, provided that: (1) the structural integrity of the Project is not thereby affected, (2) the finish of any Common Element or Limited Common Element then remaining is restored to a condition substantially compatible with that of the Common Element or Limited Common Element prior to such alteration, and (3) all construction activity necessary to any such alteration or removal shall be completed within a reasonable period of time after the commencement thereof, subject to delays beyond the reasonable control of Developer or its contractors, whether caused by strikes, the unavailability of construction materials or otherwise, in which case any such construction activity shall be completed in such additional time as may be reasonably necessary in the exercise of due diligence.
- 3. Developer, in the process of consolidating Units, shall have the right to convert that area between Units to a Unit (as opposed to the same remaining a Limited Common Element) for so long as such Units shall remain consolidated or shall continue to be commonly used or owned.

Any such alteration, subdivision or consolidation of Unit(s) as provided above shall be effective provided that:

- a. If necessary, Developer shall record or cause to be recorded an amendment to the Declaration describing the Unit(s) in question and setting forth at least: (a) a description of the newly-formed Unit(s); (b) in the case of the consolidation of Units by Developer, the Common Interest appurtenant to the newly-formed Unit, which shall be calculated by adding together the Common Interest for the Units to be consolidated; or (c) in the case of the subdivision of a Unit by Developer, the Common Interest appurtenant to each of the newly-formed Units, which shall in the aggregate equal the total of the Common Interest appurtenant to the original Unit.
- b. Developer shall record or cause to be recorded an amendment to the Condominium Map for the Unit(s) being altered and/or expanded, subdivided or consolidated to show an amended floor plan, as necessary, together with a verified statement of registered architect or professional engineer, in the manner required by Section 514B-34 of the Act, that said Condominium Map, as so amended, is an accurate copy of portions of the plans of the altered and/or expanded Unit(s) as recorded with and approved by the County officer having jurisdiction over the issuance of permits for the completion of buildings, and that the plans fully and accurately depict the layout, location, Unit numbers, and dimensions of the Units substantially as built; and
- c. Any such alteration shall comply in all respects with all applicable governmental codes, statutes, ordinances and rules and regulations, or with all variances granted therefrom.

Developer expressly reserves the right to amend the Declaration and Condominium Map to effect any subdivision or consolidation of Units or alterations to floor plans at any time or times during the Development

Period, and Developer may, without being required to obtain the consent or joinder of any Owner, lienholder or other persons, execute and record amendments to the Declaration and Condominium Map and any and all other instruments necessary or appropriate for the purpose of carrying out the provisions or exercising the rights, powers or privileges herein reserved to Developer. To the extent permitted by applicable law, this Section shall not be amended without the prior written consent of Developer.

- C. RESERVED RIGHTS REGARDING TELECOMMUNICATIONS EQUIPMENT AND TO RECEIVE REVENUE THEREFROM. Pursuant to Article XXII of the Declaration, during the Development Period, Developer shall have the reserved right, without joinder or consent of any Person, the Board, or any Owners or their mortgagees, to install or cause the installation of Telecommunications Equipment upon the Common Elements, at its sole cost and expense, and upon such installation the same shall become a Limited Common Element appurtenant to a Unit designated by Developer. The installation of Telecommunications Equipment pursuant to Article XXII shall not be deemed to alter, impair, or diminish the Common Interest, Common Elements and easements appurtenant to the Units, or be a structural alteration or addition to the Tower constituting a material change, or necessitate an amendment to the Condominium Map. All profits or expenses directly attributable to the Telecommunications Equipment shall be distributed or charged directly to the Unit to which the Telecommunications Equipment is appurtenant. In connection with Developer's reserved right described in Article XXII, Developer shall further have the reserved right, without joinder or consent of any Person, the Board, or any Owners or their mortgagees, to enter into any agreements, including, but not limited to, an exclusive marketing agreement, to market certain telecommunications services to Unit Owners in the Project, and to grant easements for such purpose, all upon such terms and conditions as Developer may determine in its discretion. Developer's approval rights shall not extend to any signage installed by the Association within the interior of the Residential Limited Common Elements in the Parking Structure or within the interior of the Residential Limited Common Elements. With respect to all aspects of the signage, including, without limitation, the method of affixing the signage and extension of electrical service thereto,

if applicable, such signage shall comply with the Project Quality Standard. Until such time that Developer shall provide notice that all Owners shall be obligated for the payment of Common Expenses as set forth in the Bylaws, Developer shall be responsible for lighting, installation, maintenance, and replacement of such residential signage as well as costs to repair any damage to the Project proximately caused by such installation, maintenance, and replacement of any residential signage and, after such notice, the Board shall be responsible for administering such obligations and assessing the costs thereof as a Residential Unit Class Expense. - F. RESERVED RIGHT TO MODIFY PROJECT AND TO AMEND CONDOMINIUM DOCUMENTS AND/OR THE CONDOMINIUM MAP. Pursuant to Article XXV of the Declaration, during the Development Period, Developer shall have the reserved right, without joinder or consent of any Person, the Board, or any Owners or their mortgagees, to effect such modifications to Units and Common Elements in the Project and/or to execute, record and deliver any amendments to the Condominium Documents promulgated hereunder, as may be necessary or appropriate to effect compliance by the Project, the Association or by Developer, with laws which apply to the Project, including, but not limited to, the FHA and ADA, and any rules and regulations promulgated thereunder, or as may be required by the Commission, by any title insurance company issuing title insurance on the Project or any of the Units, by any institutional Lender lending funds secured by the Project, or any of the Units, including, without limitation, Fannie Mae, Freddie Mac and the U.S. Department of Veteran's Affairs, or by any local, state or federal governmental agency.
- G. RESERVED RIGHT TO CONVERT LIMITED COMMON ELEMENTS TO UNITS. Pursuant to Article XXVI of the Declaration, during the Development Period and without joinder or consent of any Person, the Board, or 'any Owners or their mortgagees:
- 1. Developer shall have the reserved right to convert a Unit Limited Common Element appurtenant to such Unit or Units owned by Developer or Developer's successors, assigns or affiliates, or any portion thereof, into a separate Unit of the Project or to add to the area of a Unit. In such event, Developer shall have the right, without obtaining the approval of any party with an interest in the Project, including any other Owner and/or mortgagee, to alter the physical aspects of the Unit Limited Common Element and Unit(s) at Developer's expense in connection with such conversion, including building such structures as may be necessary or appropriate, provided that: (1) the structural integrity of the Project is not thereby affected, (2) the finish of the Unit is consistent with the quality of other Units in the Project and any remaining portion of the Unit Limited Common Element not converted to a Unit, if any, is restored, to the extent feasible, to a condition substantially compatible with that of the Unit Limited Common Element prior to such conversion, and (3) all construction activity necessary to any such conversion shall be completed within a reasonable period of time after the commencement thereof, subject to delays beyond the control of Developer or its contractors, whether caused by strikes, the unavailability of construction materials or otherwise, in which case any such construction activity shall be completed in such additional time as may be reasonably necessary in the exercise of due diligence.
- 2. Developer shall have the reserved right to designate certain Unit Limited Common Elements of the Project as Unit Limited Common Elements appurtenant to the newly-created Unit; provided that there is no material adverse effect on the remainder of the Project.

Any such conversion of a Unit Limited Common Element into a Unit or Units as provided above shall be effective provided that:

- a. Developer shall record or cause to be recorded an amendment to the Declaration describing the Unit(s) in question and setting forth at least: (a) a description of the newly-formed Unit(s), and (b) the Common Interest appurtenant to the newly-formed Units and existing Units, which shall be calculated and/or recalculated by dividing the approximate net square footage of each individual Unit by the total net square footage of all Units within the Project, including any newly-formed Units. Developer may adjust the Common Interest to assure that the total of all Common Interests equals one hundred percent (100%). If Developer increases the area of an existing Unit by connecting a portion of the Unit Limited Common Element to the Unit, but if an additional Unit is not created, then the Common Interest percentage allocated to the Unit shall remain unchanged.
- b. Developer shall record or cause to be recorded an amendment to the Condominium Map to show the floor plans and elevations for the newly-created Unit, as necessary, together with a verified statement of registered architect or professional engineer, in the manner required by Section 514B-34 of the Act, that said Condominium Map, as so amended, contains an accurate copy of portions of the plans of the newly-created Unit(s) as recorded with and approved by the County officer having jurisdiction over the issuance of permits for the construction of buildings, and that the plans fully and accurately depict the layout, location, Unit number(s), and dimensions of the Unit(s) substantially as built; and
- c. Any such alteration associated with such conversion shall comply in all respects with all applicable governmental codes, statutes, ordinances and rules and regulations.

The right to amend the Declaration and Condominium Map to effect the conversion of any Unit Limited Common Element into a Unit and the alterations to floor plans may occur at any time during the Development Period, and Developer may, without being required to obtain the consent or joinder of any Owner, lien holder or other persons, execute, deliver and record amendments to the Declaration and Condominium Map and any and all other instruments necessary or appropriate for the purpose of carrying out the provisions or exercising the foregoing rights, powers or privileges. To the extent permitted by applicable law, this Section shall not be amended without the prior written consent of Developer.

H. RESERVED RIGHT TO RECHARACTERIZE AND REDESIGNATE LIMITED COMMON ELEMENTS. Pursuant to Article XXVII of the Declaration, during the Development Period, Developer shall have the reserved right, without joinder or consent of any Person, the Board, or any Owners or their mortgagees, to amend the Declaration to (a) recharacterize all or a portion of certain Unit Limited Common Elements as may be appurtenant to a Unit or Units owned by Developer or Residential or Commercial Limited Common Elements, if all Residential Units and Commercial Units, respectively, are owned by Developer, as being General Common Elements of the Project, thus giving up or waiving the exclusive use of such area or areas; and/or (b) redesignate all or a portion of certain Unit Limited Common Elements as may be appurtenant to any Unit owned by Developer or Developer's successors, assigns or Developer Affiliate, to another Unit or Units owned by Developer, or as Residential Limited Common Elements or Commercial Limited Common Elements, as applicable; and/or (c) redesignate a portion of the Residential Limited Common Elements and/or Commercial Limited Common Elements, if all Residential and Commercial Units, respectively, are owned by Developer, as Unit Limited Common Elements to a Unit or Units owned by Developer; and/or (d) redesignate all or a portion of the Commercial Limited

Upon recharacterization of any Limited Common Element to a General Common Element of the Project, the Association shall be required to maintain such areas at its expense for the benefit of all Owners, and the cost of maintaining such areas shall be assessed to all Owners as a Common Expense.

The right to amend the Declaration to effect such recharacterization or redesignation of any such Limited Common Elements shall occur at any time or times during the Development Period, and Developer may, without being required to obtain the consent or joinder of any Owner, lienholder or other persons, execute, deliver and record any deed and/or amendments to the Declaration or to the Condominium Map, and any and all other instruments necessary or appropriate for the purpose of carrying out the provisions or exercising the foregoing rights, powers or privileges.

- J. RESERVED RIGHT TO CONVEY PROPERTY TO THE ASSOCIATION. Pursuant to Article XXIX of the Declaration, the Developer shall have the reserved right during the Development Period, but not the obligation, without joinder or consent of any Person, the Board, or any Owners or their mortgagees, to convey to the Association, and the Association shall accept, title to any property owned by Developer or Developer's successors, assigns or Developer Affiliates, together with the responsibility to perform any and all duties associated therewith. Upon conveyance or dedication of such property to the Association, the Association shall maintain such property at its expense for the benefit of the Owners, and the cost of maintaining such areas, including any maintenance fees associated with such areas, shall be assessed to all Owners as a Common Expense. Any property or interest in property transferred to the Association by Developer shall be by way of quitclaim deed, "AS IS," "where is". Developer shall have the further right to redesignate Limited Common Elements appurtenant to Units owned by Developer's successors, assigns, or Developer Affiliate as Limited Common Elements appurtenant to Units owned by the Association, if any, and to the extent necessary or required, to amend the Declaration and the Condominium Map to affect the same.

Notwithstanding the foregoing, the conveyance of any such property to the Association may be subject to the terms and conditions of any license, lease or other agreement made by and between Developer, as owner of such property, and any third party to utilize, manage, operate or otherwise deal with the property and/or the Limited Common Elements appurtenant thereto; provided, that the Association shall not be liable for any obligations of Developer under any such agreement(s) arising prior to such conveyance to the Association. The Association shall

accept and assume such title, rights and obligations, and shall indemnify, defend and hold Developer harmless from any loss incurred by Developer as a result of any claim made against Developer pursuant to any agreement with a third party arising after such conveyance.

- K. RESERVED RIGHT TO CONDUCT SALES ACTIVITIES. Pursuant to Article XXX of the Declaration, during the Development Period, Developer does hereby reserve the right unto itself, its brokers, sales agents, and other related Persons, without joinder or consent of any Person, the Board, or any Owners or their mortgagees, to access and conduct extensive sales activities at the Project, including the use of any Unit owned by Developer or its successors, assigns, or Developer Affiliates and its appurtenant Unit Limited Common Elements and use of the Residential Limited Common Elements, for instance, for hosting of receptions on the Amenity Deck and use of the Recreational Amenities for such activities, and use of the Commercial Limited Common Elements for model Units, sales, leasing, management, and construction offices, parking and extensive sales displays and activities, the posting and maintenance of signs and other advertisements relating to such sales activities, and to install, maintain, locate, relocate, and reconfigure such structures, displays, advertising signs, billboards, flags, sales desks, kiosks, sales, leasing, management and/or construction offices, interior design and decorator centers, and parking areas for employees, agents, and prospective buyers, as may be necessary or convenient for the proper development and disposition of Units by sale, resale, lease, or otherwise, and the right, but not the obligation, to provide ongoing maintenance, operation, service, construction, and repairs to individual Units in the Project and for other projects in Ward Village. In the event that Developer is unable to sell all of the Units within the Development Period, Developer shall have the right to conduct sales activities on the Project until the closing of the sale of the last unsold Residential Unit of the Project; provided that such sales are conducted in an unobtrusive manner which will not unreasonably interfere with the use, possession and aesthetic enjoyment of the Project by the Owners. Such sales activities may include the initial sale and resale of Units. In the event that Developer's mortgage lender, if any, or any successor to or assignee of Developer's mortgage lender shall acquire any portion of the Project in the course of any foreclosure or other legal proceeding or in the exercise of the Mortgage remedies or by a deed or an assignment in lieu of foreclosure, such Mortgage Lender, its successor and assigns, shall have the right to conduct such extensive sales activities on the Project until at least ninety-five percent (95%) of all of the Units in the Project have been sold and Unit Deeds therefor recorded, notwithstanding the foregoing. Each and every party acquiring an interest in the Project, by such acquisition, acknowledges that the sales activities may result in noise and nuisances, and consents to such activity by Developer, and further waives, releases and discharges any rights, claims, or actions such party may acquire against Developer, its brokers, sales agents, employees, and Lenders, and their respective successors and assigns, as a result of any such activity or activities. The Master Declarant has reserved rights to perform sales activities pursuant to Article II, Section J of the Declaration and as set forth in the Master Declaration.
- L. RESERVED RIGHT TO CONSOLIDATE, SUBDIVIDE, AND WITHDRAW LAND. Pursuant to Article XXXI of the Declaration, the Developer shall have the reserved right during the Development Period, without joinder or consent of any Person, the Board, or any Owners or their mortgagees, to (i) consolidate the Land with another parcel(s) of land ("Consolidated Lot"), (ii) subdivide the Land to create separate parcels of land ("Subdivided Lots"), and/or (iii) withdraw certain Subdivided Lots from the operation of the Declaration, and convey or cause the conveyance of said withdrawn Subdivided Lots to itself or to a third party as it deems appropriate. This right to subdivide and withdraw shall include, without limitation, the right to subdivide and withdraw from this Project certain portions of the Land, as depicted on the Condominium Map.

In connection with the right to consolidate, Developer shall have the further reserved right to enter and go

upon the Land to do all things necessary, proper, or convenient to effectuate such consolidation of the Land, including, without limitation, the following: (i) making surveys to undertake a reasonable realignment of boundaries of the Land to define said Consolidated Lot (it being understood that Developer shall have the reserved right to effect any such realignment), (ii) filing and recording the necessary consolidation map and related documentation, (iii) facilitating the granting, reserving, adding, deleting, receiving, realigning, and/or relocating of easements and/or rights of ways for utilities, cesspools, sanitary and storm sewers, cable television, telecommunication systems, refuse disposal, driveways, parking areas, roadways, and pedestrian access, and (iv) granting or receiving all other required easements and/or rights of way. Said consolidation shall be subject to, and Developer shall, at its own expense, comply with, all of the then-applicable governmental laws, rules, and regulations.

In connection with the right to subdivide, Developer shall have the further reserved right to enter and go upon the Land to do all things necessary, proper, or convenient to effectuate such subdivision of the Land and withdrawal and conveyance of certain Subdivided Lots, including, without limitation, the following: (i) making surveys to undertake a reasonable realignment of boundaries of the Land to define said Subdivided Lots (it being understood that Developer shall have the reserved right to effect any such realignment), (ii) filing and recording the necessary subdivision map and related documentation, (iii) facilitating the granting, reserving, adding, deleting, receiving, realigning, and/or relocating of easements and/or rights of ways for utilities, cesspools, sanitary and storm sewers, cable television, telecommunication systems, refuse disposal, driveways, parking areas, roadways, and pedestrian access, and (iv) granting or receiving all other required easements and/or rights of way; and provided further that Developer specifically reserves the right, whether or not in connection with its right to subdivide, withdraw, and convey hereunder, to grant easements for access, driveway, and parking purposes over the Project in favor of the withdrawn portion(s) of the Land. With regard to the Subdivided Lot(s) being withdrawn, such withdrawn portion(s) shall not have been improved with any of the Units or the Recreational Amenities or other Improvements described in the Declaration or shown on the Condominium Map. Said subdivision, withdrawal, and conveyance shall be subject to, and Developer shall, at its own expense, comply with, all of the then-applicable governmental laws, rules, and regulations, including subdivision requirements.

In connection with the exercise of its rights reserved unto it hereunder, Developer hereby further reserves the right, at its expense, to: (i) grant, reserve, add, delete, receive, realign, and/or relocate over, across, and under the Project, as appropriate, easements and/or rights of ways for utilities, including, without limitation, cesspools, sanitary and storm sewers, cable television, telecommunications systems, refuse disposal, access, shared driveways, parking areas, roadways, and walkways; (ii) enter into and execute any license and/or agreements, as appropriate, to facilitate the use of any areas located outside the Project that will be used to benefit Owners or of areas within the Project to be used by third parties; and (iii) negotiate, execute, and accept any licenses, easements, or rights of way over adjacent properties which may benefit or support the Project.

Upon the exercise of said reserved rights, Developer shall, at Developer's expense and without being required to obtain the consent or joinder of any Owner or lienholder, execute and record in said Bureau, the subdivision map (and, to the extent deemed necessary or approved by Developer, for designation of easements), and an amendment to the Declaration and the Condominium Map: (i) describing the withdrawn land and any Improvements thereon; (ii) describing the realigned boundaries of the Land upon which the Units then constituting the Project are located; and (iii) where applicable and appropriate, granting, reserving, or relocating easements over, under, and on the Common Elements, as permitted above. The filing of the amendment to the Declaration and the Condominium Map shall effectuate the withdrawal, without any further consent or joinder of any party. Developer shall have the right, as grantor, to execute, deliver, and record a deed of any subdivided and withdrawn area upon

filing of the amendments aforesaid.

The exercise by Developer of the right to consolidate, and/or subdivide, withdraw and convey as provided in this Section, shall not in any way limit or be deemed to limit Developer's full use of areas remaining in the Project pursuant to any of the rights reserved to it in the Declaration.

M. RESERVED RIGHT TO LEASE OR TRANSFER THE COMMERCIAL UNIT AND COMMERCIAL LIMITED COMMON ELEMENTS. Pursuant to Article XXXII of the Declaration, during the Development Period, Developer, its successors and assigns, as the Owner of the Commercial Unit, shall have the reserved right, but not the obligation, without joinder or consent of any Person, the Board, or any Owners or their mortgagees, to lease or transfer ownership of the Commercial Unit owned by Developer to the Association or to a third party, and to redesignate the Commercial Unit Limited Common Elements appurtenant to such Commercial Unit to a Unit owned by the Association or a third party, and redesignate Commercial Limited Common Elements as Common Elements or Residential Limited Common Elements, and to the extent necessary or required, to amend the Declaration and Condominium Map to effect the same. Upon transfer to the Association, the Association shall accept ownership of such Commercial Unit together with any appurtenant Limited Common Element(s) "AS IS" by way of a quitclaim deed. In the event the Commercial Unit is transferred or leased to the Association or a thirdparty, at such time, the Association or such third-party shall assume the cost of maintenance of all such Limited Common Element areas and the Common Expense in proportion to the percentage common interest set forth in Exhibit "B" to the Declaration attributable to such Commercial Unit. Developer may require, in its reasonable discretion, that such transferee or lessee, as the case may be, enter into an administrative and/or management agreement with Developer allowing Developer to maintain the rights to retain administrative and management control over such areas, unless such right is otherwise delegated to the Association or such third-party buyer at the time of such transfer. In the event the Commercial Unit is ever transferred or leased to the Association or to a thirdparty and the Association or such third-party thereafter but during the Development Period desires to offer such Commercial Unit for sale or lease, Developer shall be given the first right of refusal to reacquire or to lease such Commercial Unit under the same terms and conditions (including financing terms) as may be offered to or by such bona fide third-party. Accordingly, the Association or such third-party Owner desiring to sell or lease the Commercial Unit must first notify Developer in writing of its intent to list, sell, or lease the Commercial Unit. The Association's or such third-party Owner's written notice to Developer must include the proposed listing, offer price or rental rate and general terms of the proposed listing, sale, or lease. Upon receipt of such written notice, Developer shall have fifteen (15) calendar days within which to notify the Association or such third-party Owner in writing as to whether Developer elects to exercise its right of first refusal. If Developer elects to exercise its right of first refusal, closing shall occur no later than sixty (60) calendar days after Developer notifies the Association or such third- party Owner in writing (within such fifteen (15) calendar day period) of its decision to purchase the Commercial Unit. If Developer elects not to exercise its right of first refusal or fails to notify the Association or such third-party Owner in writing of Developer's election to exercise its right of first refusal within such fifteen (15) calendar day period, the Association or such third party Owner shall be entitled, for a period of seven (7) months thereafter, to list the Commercial Unit with a real estate broker or the Commercial Unit to a third-party for a price equal to or greater than the price offered to Developer without further notice to Developer.

The right to convey such Commercial Unit to the Association and for the Association to accept ownership thereof and/or to redesignate Unit Limited Common Elements or Commercial Limited Common Elements appurtenant thereto to a Unit owned by the Association or to Residential Limited Common Element or Common Element, and, to the extent necessary, to amend the Declaration to effect the same, shall occur during the

Development Period. Developer, as the Owner of the Commercial Unit, has the right for the duration of its ownership to convey the Unit to third parties, which right shall continue notwithstanding the expiration of the Development Period. Developer may, without being required to obtain the consent or joinder of any Owner, lienholder or other Persons, execute, deliver and record any deed and/or amendments to the Declaration and any and all other instruments necessary or appropriate for the purpose of carrying out the provisions or exercising the foregoing rights, powers or privileges.

- N. RESERVED RIGHT TO ALTER THE NUMBER OF FLOORS AND/OR UNITS IN THE PROJECT. Pursuant to Article XXXIV of the Declaration, during the Development Period, Developer shall have the reserved right, without joinder or consent of any Person, the Board, or any Owners or their mortgagees, to reduce or increase the number of floors and/or Units in the Project notwithstanding anything provided to the contrary, and except as otherwise provided by law. Any such alteration to the number of floors and/or Units and/or floors in the Project shall be effective provided that:
- 1. Developer shall record or cause to be recorded an amendment to the Declaration describing (a) the revised description of Units and/or floors that comprise the Project; and (b) the undivided percentage Common Interest appurtenant to the Units as a result of the reduction or increase in the total number of floors and/or Units. The Common Interest appurtenant to each Unit shall be calculated by dividing the Unit's net square footage by the net square footage of all Units in the Project; provided, however, that Developer shall have the right, in its sole and absolute discretion, to round the result of such calculations so that the sum of the percentages equals exactly one hundred percent (100%);
- 2. Developer shall record or cause to be recorded an amendment to the Condominium Map to reflect the revised layout incorporating the change in the number of Units and/or floors, together with a verified statement of registered architect or professional engineer, in the manner required by Section 514B-34 of the Act, certifying that said Condominium Map, as so amended, is an accurate copy of portions of the plans of the altered Unit(s) as filed with the County officer having jurisdiction over the issuance of permits for the completion of buildings; and
- 3. Any such alteration shall comply in all respects with all applicable governmental codes, statutes, ordinances and rules and regulations, or with all variances granted therefrom.

Developer expressly reserves the right to amend the Declaration and Condominium Map to effect any increase or decrease in the number of floors and/or Units or alterations to the floor plans at any time or times during the Development Period, and Developer may, without being required to obtain the consent or joinder of any Owner, lienholder or other Persons, execute and record amendments to the Declaration and Condominium Map and any and all other instruments necessary or appropriate for the purpose of carrying out the provisions or exercising the rights, powers or privileges reserved to Developer.

O. DEVELOPER'S RESERVED RIGHT TO GRANT EASEMENTS AND TO DEDICATE LIMITED COMMON ELEMENTS TO THE MASTER ASSOCIATION. Pursuant to Article XXXIV of the Declaration, during the Development Period, to the extent set forth in the Master Declaration, Developer shall have the reserved right, without joinder or consent of any Person, the Board, or any Owners or their mortgagees, to grant easements through the Common Elements, including the Residential Limited Common Elements and the Commercial Limited Common Elements, located on the ground floor of the Project, for purposes set forth in the Master Declaration, including, without limitation, easements to access certain areas of the Project and easements for use of certain areas

of the Project by the Master Association, for recreational use, use for park space, or pedestrian and/or bicycle access or other purposes. Such areas or portions thereof may also be dedicated to the public or dedicated for use by the public pursuant to the Master Declaration; provided that the Master Association shall maintain the easement and use areas and shall be responsible for any costs associated with the use, maintenance, and upkeep of such areas pursuant to the Master Declaration. Developer may without being required to obtain the consent or joinder of any Owner, lienholder or other Persons, execute, deliver and record any deed and/or amendments to the Declaration and any and all other instruments necessary or appropriate for the purpose of carrying out the provisions or exercising the foregoing rights, powers or privileges.

- ASSIGNMENT OF RESERVED RIGHTS. Pursuant to Article XXXVI of the Declaration, during the O. Development Period, notwithstanding anything stated in the Declaration to the contrary, the rights reserved to Developer in the Declaration shall be fully and freely assignable by Developer in whole or in part. Any assignment of the rights reserved to Developer shall be in writing, executed by both Developer and the assignee of Developer's rights, and shall be recorded in said Bureau. Every Owner of a Unit in the Project and all holders of liens affecting any of the Units and each and every other party acquiring an interest in the Project, or any part thereof, by acquiring such Unit, lien, or other interest, consents to any such assignment by Developer, and, to the extent designated by Developer, agrees to recognize any assignee as the "Developer" under the Declaration; agrees to execute, deliver, and record such documents and instruments and do such other things as may be necessary or convenient to effect the same; and appoints Developer and its assigns his or her attorney-in-fact with full power of substitution to execute, deliver, and record such documents and instruments and to do such things on his behalf, which grant of such power, being coupled with an interest, is irrevocable for the term of said reserved rights, and shall not be affected by the disability of such party or parties; which grant of such power shall be binding upon any assign of, or successor-in-interest upon any transfer of any Unit or any interest therein, whether by deed, Mortgage, or any other instrument of conveyance.
- R. CONSENT TO DEVELOPER'S RESERVED RIGHTS; APPOINTMENT OF DEVELOPER AND ASSOCIATION AS ATTORNEY-IN-FACT. Pursuant to Article XXXVII of the Declaration, each and every party acquiring an interest in the Project, by such acquisition, consents to all of the rights reserved unto Developer, as set forth in the Declaration, including, but not limited to, those rights as set forth in Articles XX through XXXV in the Declaration, the permitted actions taken by Developer pursuant thereto, and to the recording of any and all documents necessary to effect the same in said Bureau; agrees to execute, deliver, and record such documents and instruments and do such other things as may be necessary or convenient to effect the same; and appoints Developer and its assigns his or her attorney-in-fact with full power of substitution to execute, deliver and record such documents and instruments and to do such things on his or her behalf, which grant of such power, being coupled with an interest, is irrevocable for the term of said reserved rights, and shall not be affected by the disability of such party or parties; which grant of such power shall be binding upon any assign of, or successor-in-interest to, any such party and shall be deemed to be automatically granted anew by any assign or successor-in-interest upon any transfer

of any Unit or any interest therein, whether by deed, Mortgage, or any other instrument of conveyance. Without limitation to the generality of the rights reserved unto Developer hereunder and as permitted by law, Developer will have the right to execute, deliver and record any amendment to the Condominium Documents, any easement instrument, any deed, any amendment to a Unit Deed, assignment of rights or interest, or such other document, instrument or agreement that may be necessary or appropriate to permit Developer to exercise its respective rights pursuant to the provisions of the Declaration.

I, the undersigned, duly sworn on oath, depose and affirm as follows:

- I am the President for Associa Hawaii, a Hawaii corporation, designated by the Developer of the A'ali'i condominium project (the "Project") to act as the Managing Agent for the management and administration of the Project.
- 2. The project is located in a Flood Zone and as such, federal flood insurance is required or the Project and/or individual units in the Project. The Developer has informed Associa Hawaii that it intends to obtain a FEMA Special Exemption given the minimal value situated below the flood elevation. The budget has been prepared assuming that the FEMA Special Exemption shall be approved, If said Special Exemption is not approved, then the Association may be required to purchase Federal Flood Insurance which could significantly affect the monthly maintenance fees.
- 3. Attached hereto is a true and correct copy of the projected budget for the Project. The estimates contained herein, including the maintenance fee assessments and disbursements, are based upon and in reliance on the assumptions, expense and income data provided by the Developer along with information gathered by the Managing Agent from projects of comparable size and character. The estimated figures do not account for inflation, market adjustments, future utility rate changes, future insurance premium rate changes or other unanticipated events, including but not limited to acts of government, acts of God, terrorism or war. In addition, the projected budget is based upon and in reliance on discussions with the Developer.
- 4. I hereby certify that the breakdown of the annual maintenance charges and the monthly estimated cost for each unit in the Project, as attached hereto and hereby incorporated herein by reference, were determined in accordance with Section 514B-148 of the Hawaii Revised Statutes and Chapter 107 of the Hawaii Administrative Rules, and that the Managing Agent made a good faith effort to calculate such estimates for the one-year period commencing March 2019, based on generally accepted accounting principles; provided that in calculating the annual maintenance charges and the monthly estimated maintenance cost for each unit in the Project, there may be some instances where dollars and cents amounts may not be exact due to rounding.
- As permitted pursuant to Section 5148-148(b), new associations need not collect estimated reserves until the fiscal year which
  begins after the association's first annual meeting. The Developer has not conducted a reserve study for the Project. The budget
  amount for Reserves is an estimate only.
- 6. The Budget has been prepared on a cash basis.

#### EXHIBIT "I"

#### SUMMARY OF PURCHASE AGREEMENT & DEPOSIT RECEIPT

Capitalized terms have the same meanings ascribed to such terms in the Purchase Agreement & Deposit Receipt ("Purchase Agreement").

The specimen Purchase Agreement provides for, among other things, a description of the Unit to be sold, the purchase price, the closing costs, the time, manner and place of payment, the Purchaser's obligations regarding financing, the Seller's warranties and disclaimers regarding the Condominium Map and the Project, and the remedies of the Seller and of the Purchaser in the event of a default under the Purchase Agreement.

Among other provisions, the specimen Purchase Agreement provides:

- 1. Prior to execution of the Purchase Agreement, Purchaser shall receive: (i) a true copy of the Public Report with an effective date issued by the Real Estate Commission for the Project, either personally or by registered or certified mail with return receipt requested, the recorded Declaration, recorded Bylaws, House Rules and Condominium Map, or provided written notice to examine the map, and (ii) the Notice of Right to Cancel advising Purchaser of Purchaser's right to cancel the Purchase Agreement, the delivery of which is required by Hawaii Revised Statutes, Section 514B-86. Purchaser shall also have been given an opportunity to read said report(s).
- 2. Purchaser may cancel the Purchase Agreement within thirty (30) days of Purchaser's receipt of the Public Report and Notice of Right to Cancel ("Rescission Period"). It is understood that Purchaser may, at any time after Purchaser's receipt of the Notice of Right to Cancel and the documents described in 1. above and of Purchaser's execution of the Purchase Agreement, waive Purchaser's right to cancel the Purchase Agreement. If Purchaser fails to execute the Notice of Right to Cancel within thirty (30) days of Purchaser's receipt of the Public Report, Purchaser shall be deemed to have waived Purchaser's right to cancel the Purchase Agreement (by Purchaser's failure to give said written notice of cancellation). The conveyance of the Unit to the Purchaser within the thirty (30)-day period referenced above shall also be treated as a waiver by Purchaser of Purchaser's right to cancel the Purchase Agreement.
- 3. Seller shall complete construction of the Unit to permit normal occupancy of the Unit within five (5) years from the date Purchaser signs a binding contract ("Completion Deadline"). If the Project is not completed by the Completion Deadline, subject to causes of force majeure, Purchaser may cancel his or her Purchase Agreement at any time thereafter and Purchaser shall be entitled to a prompt refund of all monies paid, plus any interest earned thereon, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.00.
- 4. The Seller has entered into an Escrow Agreement, summarized in Exhibit "J" herein, with Title Guaranty Escrow Services, Inc. ("Escrow"), covering the deposit with Escrow of all funds paid by the Purchaser under the Purchase Agreement and the disbursement of the funds by Escrow. Escrow may charge a cancellation fee on account of escrow services performed not to exceed \$250.00.
- 5. The Purchase Agreement requires the Purchaser to pay the Total Purchase Price by a series of payments prior to Closing, including an initial payment when Purchaser signs the Purchase Agreement, a second deposit and a third deposit. Purchaser shall then deposit the remaining balance due on the Date of Pre-Closing or four (4) business days prior to the scheduled Closing Date, subject to loan requirements set forth in the Purchase

Agreement. Seller may also assess a late fee up to 12% per annum.

- 6. Before expiration of the Rescission Period, Purchaser must submit to Seller Financial Data in the form and content acceptable to Seller (in Seller's sole discretion) pursuant to Section E.6 of the Purchase Agreement.
- 7. If Purchaser is obtaining mortgage financing, Purchaser represents and understands that Purchaser is solely responsible for securing such financing.

PURCHASER'S OBLIGATIONS UNDER THE PURCHASE AGREEMENT ARE <u>NOT</u> CONTINGENT OR CONDITIONED ON PURCHASER'S ABILITY TO SECURE FINANCING FROM A MORTGAGE LENDER OR ON PURCHASER'S ABILITY TO SELL PURCHASER'S CURRENT RESIDENCE OR ANY OTHER PROPERTY OR ASSETS. The sale and purchase of the Unit is not contingent upon Purchaser's ability to retain the interest rate quoted at the time of approval of Purchaser's Financial Data and Purchaser will be required to pay the interest charged by Purchaser's lender at the Close of Escrow. No financing by Seller of any portion of the Purchase Price is available.

- 8. The Purchase Agreement provides that Purchaser may earn interest on Purchaser's deposits, pursuant to the requirements and limitations as set forth in the Purchase Agreement.
- 9. The Purchase Agreement provides that Purchaser will pay a non-refundable, non-transferable "start-up" fee for the Association of Unit Owners in an amount of two (2) month's estimated maintenance fees for the Unit; plus, one (1) month's estimated maintenance fees for the Unit as an advance payment for the initial month's maintenance fees payable by a Unit Owner. These start-up fees are one-time assessments at Closing and are not advance payments of common expenses or assessments and shall be in addition to the normal monthly assessments. In addition, Purchaser is responsible for all closing costs in connection with the sale, including, without limitation, the escrow fee, cost of a preliminary title report, cost of preparation of the Unit Deed, cost of establishing separate escrow account(s), real property tax prorations and other customary prorations, all acknowledgment fees, conveyance and transfer taxes of all types, title insurance, if requested by Purchaser, cost of any lender's title insurance, appraisal fees, costs for drafting of any notes and mortgages, all recording costs or fees, the cost of drafting any revisions or addenda to the Purchase Agreement, loan fees, credit report costs and all other applicable mortgage costs, provided that it is understood that this sale is not subject to or conditioned upon Purchaser obtaining a loan.
- 10. Regardless of the status of construction of the Project and in order to accommodate a bulk closing or series of bulk closings of the Units by Seller, Seller intends to pre-close a bulk number of units from time to time, upon not less than thirty (30) calendar days' prior written notice to Purchaser (the "Seller's Pre-Closing Notice"). Seller's Pre-Closing Notice may establish a schedule with differing dates for certain requirements for the pre-closing to be met by Purchaser. Purchaser shall execute all necessary documents for such pre-closing, including irrevocable escrow instructions, and deposit the same with Escrow no later than the date specified in Seller's Pre-Closing Notice, and Purchaser further agrees to pay into Escrow all sums due from Purchaser at closing, excluding only any loan proceeds, if applicable, upon the date specified in Seller's Pre-Closing Notice.
- 11. Purchaser or Purchaser's agent shall inspect the Unit on a date and at a time specified by Seller in a written notice to Buyer. Upon completion of such inspection, Purchaser agrees to sign or to cause its agent to sign an inspection checklist to be furnished by Seller or the contractor which shall list all defects or damages to the Unit, if any. If Purchaser fails to inspect (or permit inspection of) Purchaser's Unit on the date and time specified by Seller or other warrantors, then Purchaser acknowledges that such conduct will constitute a waiver of Purchaser's

inspection rights under the Purchaser Agreement. Purchaser agrees to accept possession of the Unit despite the existence of defects or damages to the Unit, including appliances, which do not render the Unit uninhabitable. Seller will cooperate with and assist Purchaser in having legitimately listed defects or damage corrected or repaired within a reasonable time thereafter.

- 12. Purchaser authorizes Seller to make, and Purchaser specifically approves, the following changes to the Project Documents and the Project after the Effective Date:
- A. Any change as may be required by law, any title insurance company, lender, or governmental agency; provided, however, that such change shall not constitute a change in the Project which directly, substantially and adversely affects the use or value of the Unit or the Limited Common Elements appurtenant thereto or the amenities of the Project available for Purchaser's use; and is not made pursuant to a right reserved to Seller under the Declaration ("Material Change"), or increase the Total Purchase Price.
- B. Any non-Material Changes which the Seller or the Project Architect, in their sole and absolute discretion, deem appropriate, to the Common Elements, including, without limitation, the roadways, parking areas, and landscaping or any changes for reasons related to financial feasibility, efficiency, or aesthetics; furthermore, the Project Architect may increase or decrease the thickness of any foundation, wall, column or floor slab, or make other changes to Seller's Plans and Specifications (as defined and discussed further in Section E.27 of the Purchase Agreement), which could result in the dimensions of Purchaser's Unit or any appurtenant Limited Common Element thus affected becoming smaller or larger, or resulting in a building height or elevation different from that shown on the Condominium Map or stated in the Declaration or the Public Report; provided that the variance in the net living area of the Unit shall not exceed two percent (2%) of the net living area represented in the Project Documents. Further, the Project Architect may make changes necessary to correct any design errors or shortcomings.
- C. Any Material Change made while Purchaser is under a binding Purchase Agreement; provided that applicable rescission rights shall be given to Purchaser in accordance with Section 514B-87 of the Hawaii Revised Statutes, as amended, as further described in Section E.30 of the Purchase Agreement.
- D. Any changes made pursuant to the rights reserved by Seller as Developer under the Declaration, as more fully explained in Section E.15.c. of the Purchase Agreement.
- 13. - 14. The Purchase Agreement generally provides that it may not be assigned by Purchaser. See Section E.34 of the Purchase Agreement for definition of what constitutes an "assignment." Any assignment of the Purchase Agreement is void and of no legal effect. Notwithstanding the foregoing, Purchaser may assign its rights under the Purchase Agreement to affiliated entities for estate planning purposes without the consent of Seller, provided that any such assignment shall not release Purchaser from its obligations under the Purchase Agreement. In the event that Purchaser decides to make such an assignment for estate planning purposes, Purchaser shall provide written

notice thereof to Seller at least fifteen (15) calendar days prior to the Closing Date, as defined in the Purchase Agreement, and shall provide to Seller copies of such documents as Seller, in its sole and absolute discretion, deems necessary to complete Closing.

#### SUMMARY OF ESCROW AGREEMENT

Capitalized terms have the same meanings ascribed to such terms in the Escrow Agreement for the Project dated June 14, 2017 ("Agreement"), as amended, which contains the following provisions (which may be modified or otherwise limited by provisions which are not summarized hereinbelow):

- A. As and when Seller shall enter into a Purchase Agreement & Deposit Receipt ("Purchase Agreement") for the conveyance of a Unit or other interest in the Project, it shall require the payments of deposits due thereunder to be promptly made to Escrow. Seller shall deliver an executed copy of the Purchase Agreement to Escrow together with the name(s) and address(es) of the Purchaser as noted on the Reservation Agreement or Purchase Agreement or otherwise as updated by the Purchaser with Seller as being Purchaser's last known address.
- B. Escrow shall receive, deposit and hold in separate escrow accounts and disburse as set forth in the Agreement: (a) all payments received by it under the Purchase Agreement, (b) such sums received by it under the Agreement from or for the account of Seller, and (c) all sums received by it from any other source with respect to the Project. Escrow shall not at any time commingle or permit the commingling of any Purchaser's funds with funds belonging to or held for the benefit of Seller. All funds and instruments received from Purchasers or prospective Purchasers shall be held by Escrow in accordance with the provisions contained in Chapter 514A and/or Chapter 514B of the Hawaii Revised Statutes, as applicable ("Act"). All monies received by Escrow shall be deposited, within a reasonable time of the receipt by Escrow and in reasonably convenient and practical sums, in a federally-insured, interest-bearing account at any bank or savings and loan authorized to do business in the State of Hawaii under an escrow arrangement, and shall be held in immediately available funds in accordance with the terms of the Agreement.
- C. Any interest earned on funds deposited in escrow under the Purchase Agreement shall accrue as specified in the Purchase Agreement. If the Purchase Agreement does not specify to whom interest is to accrue, any interest earned on funds deposited in escrow under the Purchase Agreement shall accrue to the credit of the Purchaser. Escrow shall not be liable to either Seller or any Purchaser for loss or diminution in funds invested in accordance with instructions given to Escrow. If the Purchaser requests that a separate account be established for the Purchaser, the Purchaser shall furnish to Escrow the Purchaser's social security number or federal identification number and the Purchaser shall pay Escrow a fee of \$50.00 for such separate account.
- D. Notwithstanding anything contained in the Agreement to the contrary, Escrow shall make no disbursements of Purchasers' funds or proceeds from the sale of such units (including any payments made on loan commitments from lending institutions), except by way of refunds thereof, until the Commission has issued an effective date for the Public Report for the Project under Chapter 514B of the Act, Seller has provided (a) the effective Public Report, Declaration, Bylaws, House Rules and Condominium Map, to the extent practicable, (b) that the Purchase Agreements have become binding under the provisions of Section 514B-86 of the Act, (c) that there have been no material changes to the Project that would give Purchasers a right to rescind under Section 514B-87 of the Act, and (d) that Seller waives any option reserved in any Purchase Agreement in favor of Seller to cancel the Purchase Agreement, among other requirements in the Agreement.
  - E. Purchasers' funds may be used for construction and other allowable expenses as identified

below prior to closing pursuant to Section 514B-92 of the Act, provided that binding contracts exist under which such funds have been deposited into escrow, and said expenses are approved for payment by Seller and the project lender or an otherwise qualified, financially disinterested person. Section 5 of the Purchase Agreement sets forth the Escrow requirements for such release of funds. If such funds are to be used for construction prior to closing, the funds shall be taken from all Purchasers under binding Purchase Agreement for the building in which said Purchaser's unit is located and shall be disbursed by Escrow upon the submission of bills therefor, and upon direction to do so from Seller from time to time to pay for:

- 1. Construction costs of the buildings and improvements in proportion to the valuation of the work completed by the contractor in accordance with the contract documents, as certified by a registered architect or engineer;
- 2. Architectural, engineering, and interior design service fees in proportion to the services performed within each phase of services;
  - 3. The costs of purchasing furnishings and fixtures for the units; and
- 4. Finance and legal fees, and other incidental expenses of constructing the units or developing the Project.

Any funds remaining shall not be disbursed until construction of the Project has been completed (or until construction of the particular unit being conveyed has been completed, to the extent that Chapter 514B of the Act permits such disbursement) and Escrow receives satisfactory evidence that all mechanics' and materialmen's liens have been cleared (or, to the extent permitted by Chapter 514B, have been dealt with in such a fashion as to avoid non-compliance with Section 514B-45 of the Act), unless sufficient funds have been set aside for any bona-fide dispute.

- F. Each Purchaser shall be entitled to a return of his or her funds, without interest, except as provided below, and Escrow shall pay such funds to such Purchaser, promptly after request for return by the Purchaser, if one of the following has occurred:
- 1. Seller and Purchaser shall have requested Escrow in writing to return to Purchaser the funds of Purchaser held hereunder by Escrow; or
- 2. Seller shall have notified Escrow of Purchaser's exercise of a Purchaser's right to cancel the Purchase Agreement pursuant to HRS §514B-86 (thirty-day right to cancel) or the federal Property Report; or
- 3. Seller shall have notified Escrow of Seller's exercise of the option to cancel or rescind the Purchase Agreement pursuant to any right of cancellation or rescission provided therein or otherwise available to Seller; or
- 4. Purchaser or Seller shall have notified Escrow of Purchaser's exercise of Purchaser's right to cancel the Purchase Agreement pursuant to HRS §514B-89 (failure to complete construction before specified completion deadline); provided that Escrow shall first verify with Seller that Seller has not extended

the completion deadline by reason of force majeure; or

5. Purchaser or Seller shall have notified Escrow of Purchaser's exercise of Purchaser's right to rescind the Purchase Agreement pursuant to HRS §514B-87, by a valid rescission signed by all Purchasers of the affected unit and postmarked no later than midnight of the thirtieth calendar day after the date that the Purchasers received the notice of rescission from Seller, in which case the Purchasers shall be entitled to a prompt and full refund of any moneys paid.

Upon the cancellation or rescission of any Purchase Agreement, as specified above, Escrow shall be entitled to a cancellation fee commensurate with the services rendered by Escrow prior to such cancellation, plus all costs incurred, up to a maximum of \$250.00. Notwithstanding anything in the Agreement or in any Purchase Agreement provided to the contrary, said cancellation fee shall be the sole expense of the Purchaser and shall not in any way be the obligation of Seller, unless the Purchaser rescinds the Purchase Agreement pursuant to HRS §514B-87, whereupon Seller shall pay such fee. Seller further understands and acknowledges that in the event of a rescission by the Purchaser under HRS §514B-87, if Seller required the Purchaser to secure a financing commitment, the Purchaser shall be entitled to reimbursement from Seller (and not from Escrow) of any fees incurred by the Purchaser in securing that financing commitment required by Seller. No refund shall be made to a Purchaser at the Purchaser's request prior to receipt by Seller of written notice from Escrow of Escrow's intent to make such refund.

- G. Except as otherwise provided by law, Escrow shall give each Purchaser entitled to a return of his or her funds notice thereof by registered, certified, or regular mail, postage prepaid, addressed to such Purchaser at his or her address shown on the Purchase Agreement or any address later made known to Escrow by such Purchaser. If such Purchaser shall not have claimed such refund, Escrow shall escheat such unclaimed funds pursuant to HRS §523A-3.5. Escrow shall thereupon be released from further liability hereunder with respect to such funds and such Purchaser.
- H. Seller shall give notice in writing to Escrow of the occurrence of each event that initiates an obligation of a Purchaser to make a payment to Escrow pursuant to the Purchase Agreement as well as notice of the amount and due date of such payment. If the Purchaser fails to make such payment to Escrow on or before the due date thereof or if the Purchaser fails to perform in any matter that is being handled by Escrow, Escrow shall promptly notify Seller of any such failure on the part of the Purchaser. If Seller subsequently certifies in writing to Escrow that Seller has terminated the Purchase Agreement contract in accordance with the terms thereof and provides to Escrow copies of all such notices of termination and proof of receipt sent to the Purchaser, Escrow shall thereafter treat all funds of the Purchaser paid on account of such Purchaser's Purchase Agreement as funds of Seller and not as funds of the Purchaser. Thereafter, such funds shall be free of the escrow established by this Agreement and shall be held by Escrow for the account of Seller. Upon written request by Seller, Escrow shall pay such funds to Seller, less any escrow cancellation fee. Escrow shall thereupon be released from any further duties or liability hereunder with respect to such funds and such Purchaser.

SELLER AND PURCHASER AGREE TO PAY ESCROW ON DEMAND AND TO INDEMNIFY AND HOLD ESCROW HARMLESS FROM AND AGAINST ALL COSTS, DAMAGES, JUDGMENTS, ATTORNEYS' FEES, EXPENSES, OBLIGATIONS, AND LIABILITIES OF EVERY KIND AND NATURE REASONABLY SUFFERED OR INCURRED IN CONNECTION WITH OR ARISING OUT OF THE DISBURSEMENT OF PURCHASER'S DEPOSITS (EXCEPT THOSE ARISING FROM THE GROSS NEGLIGENCE OR RECKLESS ACTS OR OMISSIONS OF ESCROW). UPON PAYMENT THEREOF, THE PREVAILING PARTY WILL BE SUBROGATED TO ESCROW'S RIGHT TO

JUDGMENT FOR SAID COSTS, DAMAGES, JUDGMENTS, ATTORNEYS' FEES, EXPENSES, OBLIGATIONS, AND LIABILITIES OF EVERY KIND AND NATURE AGAINST THIRD PERSONS.

  shall be conducted on the Premises.
- Each Occupant shall at all times keep his/her Unit in good order and condition and observe and perform all laws, ordinances, rules, and regulations applicable to the use of the Project and his/her Unit now or hereafter made by any governmental authority or the Board.
- 3. No Occupant or Guest shall make or suffer any strip or waste or unlawful, improper, or offensive use of a Unit.
- 4. Nothing shall be allowed, done, or kept in any Unit or common area that would overload or impair the floors, walls, or roof of the Project, or cause any increase in the ordinary premium rates or the cancellation or invalidation of any insurance thereon maintained by or for the Association.
- 5. No Occupant or Guest shall place, store, or maintain on walkways, roadways, ground, or other common areas any furniture, packages, or objects of any kind or otherwise obstruct transit through such common areas.
- 6. Except as otherwise specifically provided in these House Rules, eating and drinking is not permitted in any common area of the Project, including, without limitation, the lobbies, hallways, elevators, corridors, stairwells and waiting areas, the Recreational Amenities and Amenity Deck, and the Parking Structure.
- 7. No recreational activities shall be permitted in any portion of the Project except in those areas expressly designated for such activities.
- 8. No Occupant or Guest shall make or suffer any strip or waste or unlawful, improper, or offensive use of the Project or alter or remove any furniture, furnishings, or equipment from the common areas.
- 9. Keyless access devices are required to enter the building and use the residential elevators. Occupants shall not allow strangers to enter the elevator behind them and shall not allow Guests to take keyless devices for access. Occupants shall accompany Guests at all times.
- 10. No livestock, poultry, or other animals whatsoever shall be allowed or kept in any part of the Project, except that dogs, cats, or other typical household pets ("pet"), such as guinea pigs, rabbits, fishes, or birds may be kept by Occupants in their respective Units subject to the conditions and restrictions contained herein, but shall not be kept, bred, or used therein for any commercial

purpose.

- (A) Except for fish, no more than two (2) pets shall be allowed per Unit.

- (D) Every Occupant keeping a pet or pets shall register each pet with the Resident or Site Manager (if any), who shall maintain a register of all pets kept in the Project.
- 11. Notwithstanding any provision to the contrary contained in the House Rules, animals specially trained to assist disabled individuals (hereinafter referred to as "service animals") or animals required by a physician in writing necessary for emotional support (hereinafter referred to as "emotional support animals") shall be permitted at the Project subject to the following restrictions:
  - (A) Such service animals and emotional support animals shall not be kept, bred, or used at the Project for any commercial purpose;

A tenant of an Owner must obtain the written consent of said Owner to keep a pet or pets in the Unit. Notwithstanding such consent, a tenant may keep only those types of pets which may be kept pursuant to these House Rules. Any Occupant who keeps a pet or pets pursuant to these House Rules may, upon the death of the pet, replace the pet with another and continue to do so for as long as the Occupant continues to reside in the Unit or another Unit in the Project subject to these same House Rules. The Board may from time to time promulgate such rules and regulations regarding the continued keeping of pets, service animals and emotional support animals as the circumstances may require or the Board may deem advisable.
- 13. Each owner of a pet and the owner of the Unit in which such pet is kept shall indemnify and hold the Association and the Board harmless from and against any and all claims, liabilities, or damages arising out of the presence of such pet in the Unit and the Project.

- 14. Except when in transit or when using the dog run area, pets (other than service animals and emotional support animals) shall not be allowed on any common area. Any pet (including a service animal or emotional support animal) in transit through the common areas must be carried whenever practicable or on a leash which keeps the pet within three feet (3') of its handler's feet. Pets shall not be allowed to come into contact with persons other than the handlers thereof, or other pets(s), except as permitted by such persons or the Owners of the other pet(s). Pets shall be under the supervision and control of the Occupant at all times. For purposes of this Section, a pet on an unattended leash does not constitute being under the supervision and control of an Occupant.
- 15. Any damage to the Project caused by a pet shall be the full responsibility of the owner of the pet and the owner of the Unit in which the pet is kept and the costs of repair or replacement shall be specially assessed to such person(s).
- 16. Owners of dogs, including dogs that are service animals or emotional support animals, shall be assessed a special annual fee of \$50.00 per dog to Common Elements of the Project.
- 17. No structural changes of any type by an Occupant shall be permitted within the common areas except as permitted by, and in accordance with, the provisions of the Declaration and Bylaws.
- 18. Except as otherwise provided in the Declaration, Bylaws or the House Rules, no signs, posters, signals, or lettering shall be inscribed or exposed on any part of the Units or Common Elements appurtenant thereto nor shall anything be projected out of any window or door or off any lanai of any Unit, without the prior approval of the Board.
- 19. No alterations, modification or changes to a Unit shall be made or permitted except as permitted by, and in accordance with, the provisions of the Declaration and Bylaws. In particular any alterations are required to meet the acoustical requirements for flooring in the event that a Unit Owner chooses to replace wood flooring with carpet, stone, tile, or other material. Minimum IIC and STC acoustic standards for the transference of sound through the slab to the Unit below and through the walls to adjacent Units, as required by the Declaration, need to be met and documented.
- 20. Damage to the buildings or common areas and/or any equipment, appliances, furniture, or fixtures located therein by any Occupant or Guest shall be the responsibility of the Owner who, or whose Occupant or Guest, caused said damage. Such damage shall be reviewed by the Resident or Site Manager (if any) and/or Managing Agent and repaired or replaced at the expense of the responsible Owner.
- 21. Every Occupant, or Owner if the Occupant is not an Owner, that refuses to comply with the House Rules, shall pay to the Association promptly on demand all costs and expenses including reasonable attorneys' fees incurred by or on behalf of the Association in enforcing any provisions of the Declaration, Bylaws, or the House Rules against such Occupant or Occupant's Guest.
- 22. In addition to any other remedy available to the Association by law or equity, a monetary fine, as stated in the House Rules, may be charged against the responsible Unit Owner for each violation of the Declaration, the Bylaws, and/or House Rules. This fine will be deducted from the responsible Unit Owner's maintenance fee payment as stated in the priority of payment schedule.

Fines duly imposed but unpaid shall constitute a lien on the responsible Unit Owner's Unit that may be foreclosed upon in like manner as a lien for unpaid assessments to collect the unpaid amount. The Association also has the right to pursue any action to recover a money judgment for any unpaid fines without foreclosing or waiving the lien.

- 23. Any person fined and/or cited ("appellant") may appeal from the fine and/or citation imposed by the Board, the Managing Agent, or the Resident or Site Manager (if any) as follows:

By delivering to the Managing Agent, within twenty (20) days after the date of delivery or mailing to the appellant, whichever is first in time, of written notice of such fine and/or citation, a written notice of appellant's appeal and the reason(s) therefor. The filing of a notice of appeal shall not halt the accrual of any ongoing fine imposed for the violation, which is the subject of the appeal. However, the Board may waive or rescind all or part of such fine for good cause at the time of the hearing of such appeal.
  - (B) <u>Time for Hearing Appeal.</u> All appeals shall be heard by the Board either by email, conference call, or at a physical meeting of the Board within ninety (90) days after the notice of appeal has been delivered to the Managing Agent.
  - (C) Procedure. A statement of the facts on which the fine or citation was based shall be furnished to the appellant at least ten (10) business days before the hearing. Each appeal will be handled on a case-by-case basis. If a physical meeting is required or requested by the appellant, the appellant and witnesses on the appellant's behalf, if any, may present appellant's defense and supporting evidence. The Board may ask other persons to attend and present testimony, and the Board may consider all relevant testimony, evidence, and information related to the violation.
  - (D) <u>Disposition of Appeal.</u> The directors of the Board may not act unless a quorum is present. The Board shall vote as to whether the fine, the amount thereof, and/or citation shall be affirmed. If a majority of the directors of the Board present vote in the affirmative, the fine and/or citation shall be upheld and continue in full force and effect. If less than a majority of those directors of the Board present vote in the affirmative, then the fine and/or citation shall thereby be rescinded.
- 24. To promote the quality of air and the health and safety of residents, the Project is designated as a smoke-free area. As such, smoking is not permitted anywhere on the premises, including, without limitation, the Units and Limited Common Elements appurtenant thereto and the common areas of the Project, which include, without limitation, any lobbies, hallways, elevators, corridors, stairwells and waiting areas, the Recreational Amenities and Amenity Deck, and the Parking Structure; provided that, in the event that a designated smoking area is identified for the Project, any and all smoking activities shall be contained within such designated smoking area. Owners shall inform their tenants, guests, invitees and licensees of this smoke-free policy. Any deviation from this smoke-free policy by any Occupant or Guest shall be considered a violation of these House Rules, and such Occupant or Guest shall be subject to the penalties set forth in Section XV herein. If the violator is a Guest of the Occupant, the Occupant shall be held responsible for payment of any fines or related charges not paid by the violator.

Except to the extent expressly proscribed or limited by the Declaration, the Bylaws or the House Rules, the Board,

through a majority vote, reserves the right to make such other rules or to amend the House Rules from time to time by action of the Board as it deems appropriate to promote the safety, care, and cleanliness of the Project and to ensure the comfort and convenience of all Occupants and Guests, so long as such rules are not inconsistent with any applicable laws, ordinances, codes, rules or regulations applicable to the Property and/or its management or operation. During the Developer Control Period, the Developer may amend the House Rules in any manner without the joinder, consent, or approval of any other party.
